## Chinese acrobats to perform here

By ELLEN EIDELBACH  
Battalion Reporter

An upcoming attraction in Rudder Auditorium promises to keep all eyes on the air.

The Chinese Acrobats and Magicians of Taiwan will perform acrobatics, acts of levitation; kung fu and hi-kung; ribbon dances, tumbling and juggling acts; feats with bicycles, chairs and tables; and balancing acts and magic Tuesday at 8:15 p.m.

The event, which is sponsored by the Memorial Student Center's Opera and Performing Arts Society, presents acts which date back 2,000

years.

OPAS officials say Chinese acrobatics "is based on a desire for man to find perfect harmony between mind and body and thus achieve perfection."

The company of 75 performers and musicians is on its seventh tour in North America since 1973.

Tickets for the performances are available in the MSC box office from 8 a.m. to 4 p.m. weekdays.

Non-student tickets are \$8.25, \$6.60 and \$5.30. Student prices are \$7.00, \$5.60 and \$4.50.

Students need I.D. cards to benefit from the special rates.

# Stop missing your phone calls.

Stop wondering and worrying about missing phone calls and come see the most advanced telephone answering system at the GTE Phone Mart. The exciting Code-A-Phone 1600.

It's a decorator telephone that also answers calls and takes messages for you when you're not at home or just too busy. It even comes with a pocket coder that lets you play back your messages from any outside phone.

And when you are at home, it has an exclusive feature called Call Control that lets you fast forward or rewind the tape and selectively play back or erase an individual message. What's more, it's so easy to operate.

So if you want to make your life simpler with a new Code-A-Phone 1600, come to the GTE Phone Mart for a demonstration soon.

Because, more than just a phone store, we're your phone company.

Put a Code-A-Phone in your life.
