Nets, Newlin beat Rockets

United Press International
PISCATAWAY, N.J. — Rookie Calvin Natt scored 30 points and Mike Newlin added 27 Sunday night to lift the New Jersey Nets to a 120-115 victory over the Houston Rockets and snap a six-game losing streak.

Natt scored 16 points in the first 14 minutes of the game as the Nets built a 16-point lead with 8:55 remaining in the first half. The Nets then went on to win and hand the Rockets their fourth defeat in as many road games this season.

New Jersey produced its highest first half-total this season to take a 60-47 halftime lead but Houston closed within three when Calvin Murphy sank a three-point basket with 32 seconds remaining in the game. Jan van Brenda Kolff sank two free throws with eight seconds remaining to seal the victory.

'I seem to have forgotten something!'

Rice's backup quarterback, Robert Hoffmann, left the line of scrimmage with the most important part of any offensive play; the football. Texas A&M's James Zachery has his sights on recovering the loose ball but Hoffmann came up with it. Battalion photo by Pat O'Malley

Ags wake up to smash Owl

By SEAN PETTY
Battalion Sports Editor

Although the Texas Aggies won their first Southwest Conference game of the year by soundly defeating the Rice Owls 41-15, it was really more a contest to see which team could stay awake the entire game.

The game took over three hours to play because of Rice's numerous futile passing attempts and the referees' insistence on throwing a flag every play in the last two minutes of the game.

The Aggies set the listless tone early in the first quarter when it looked like neither team wanted to win, much less play. The first quarter also featured a punting duel between A&M's David Appleby and Rice's Steve Gleaves. Each team punted three times before either team got rolling.

The Aggies did put together a drive which ended in a familiar sight to Aggie fans this season when Curtis Dickey fumbled on the Rice one-yard line to kill the Aggie drive.

The only thing that kept the fans awake throughout the first quarter was watching and waiting for Dickey to gain 78 yards and become the second leading all-time rusher in SWC history. Dickey obliged the fans by gaining 100 yards in the first quarter alone and finishing the game with 127 yards on 21 carries.

The second quarter saw both teams wake up and start moving the ball. The Owls struck first, bringing out their shotgun to score the first touchdown of the game. Rice quarterback Randy Hertel threw an 18-yard touchdown pass from the shotgun formation to Bobby Williams to give the Owls a short-lived lead.

The Owl touchdown and Aggie freshman Earnest Jackson's 70-yard kickoff return immediately following the Owls' score were all that was needed to get the Aggie machine rolling and scoring.

David Hardy started the Aggs' scoring with a 21-yard field goal. It was all A&M from then on.

"The kickoff return was definitely a positive influence that early in the game," said A&M coach Tom Wilson. "It really gave us the spark we needed to get going."

The second quarter was all the Aggies needed to slam the cellar door on the conference cellar-dwelling Owls. And the Owls showed why they belong in last place.

"They scored 20 points in a few minutes and didn't have to go very far for them," said a frustrated Ray Alborn about his Owl team. "You can't give people with their ability that many opportunities but give the Aggies credit for taking advantage of the chances we gave them."

"We had an awful lot of slipping down by men who were open. I don't know why, we wear the same shoes as everybody else."

The Owls went into the A&M game riddled with injuries and came out even more banged up as the Rice trainers were on the field almost as much as the Rice football team, carrying players off throughout.

Meanwhile, the Aggies came out of the game in good shape with no one really playing long enough to get hurt as all 60 players that made the trip played.

"The most positive thing is that we needed to look at some of our younger players and we got that

chance today," Wilson said. "I was very pleased with the performance of (freshmen) Johnny Hecton and nest Jackson. We played hard every day, all 60 players and there some good effort and some takes."

Aggie quarterback Mike had another solid game with 40 yards rushing and seven passing for 60 yards.

"I really feel good now in game," a happy Mosley said. "It was like listening to a two-minute offense was well and that was the best cause we've had problems in the past."

The Aggies' dominant performance gave Mosley a chance to stand on the sidelines for a change.

"I was just watching everything, everyone was tired, whole time and nobody let though we were beating the bad. I loved it."

Defensive tackle James who finished with four tackles, hounded Rice quarterback Hertel, best described the game as a "monotone speaker," Zachery.

"When they pass as much as do, it makes for a long afternoon. I think we were concentrating much about not taking lightly that we couldn't execute."

The Aggies finished the game with 399 yards total offense and 183. The Aggies also beat the penalty column with 139 yards while Rice had 5 for 16.

In all, the game was a victory and one the Aggies can be proud of as they head for the Hogs, Frogs and Horns.
