

Wonderful Meat at SAFEWAY!

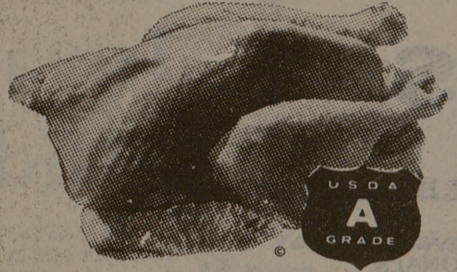

it's somebody's dinner!

Safeway has long had a reputation for fine meats. We top this with our famous trim policy. The excess fat is trimmed just right to keep that luscious, juicy rib-eye, T-Bone or sirloin... luscious and juicy all the way to your table. And it helps the price, too, because you don't pay for something you can't eat.

At Safeway, it isn't just meat... it's somebody's dinner.
