

# McDONALD'S INTRAMURAL HIGHLIGHTS

At University Drive

At Manor East Mall

## Welcome Back Aggies

Hey Ags! Welcome back and hope you're rested well. The semester is new and Intramurals has lots of things for you to do. IM offers over twenty (20) different activities during the spring semester aside from keeping the facilities open for general use. We serve students, faculty, staff and spouses.

Team sports will include soccer, basketball, and slow pitch softball. Individual and dual events will include tennis doubles, bowling singles, table tennis singles, horseshoe doubles, racquetball singles and more.

This is also the semester for track and field, free

throw, the canoe race, wrestling and the ski contest. Also don't forget Superstars.

Come join us for fun, frolic and new friends. IM is something for everyone.

There is a fee for team entries. It is a \$5.00 one-time fee. However, there is NO fee for dual and individual events or special events like freethrow.

In team sports there is a forfeiture fee for teams not ready to play within 10 minutes after the scheduled play time. The forfeiture fee varies by sport and covers the cost of officiating the contest.

## Basketball Is Here

Yes fans, basketball season will officially begin Wednesday, January 16. Here are a few pointers to remember:

\*Check your schedules before Wednesday

\*Always bring your ID to the games

\*Get out there and have a really good time.

Also, IM is accepting Late Entries through this Friday, January

18. A late entry does not guarantee you a place in the tournament, but IM will work in as many teams as possible. So get ready to come out dribbling.

## Divisions And Classes

All the IM sports are divided into divisions for Men, Women, and CoRec.

In individual and dual sports there are three classes. Class A is for highly skilled persons seeking intense competition. Class B is for

moderate skill and moderate competition. Class is just for fun.

In team sports, league play has two classes, AB and C. AB is for competition and C is for casual play. For the playoffs AB teams are divided into Class A and Class B by

the IM staff depending on each teams league record.

Awards are given in Class A and Class B only. Make sure you sign up for the proper division and class.

Tennis gets into full swing during the spring semester.

## The Extra Act

Intramurals has information on all the Extramural Sports Clubs. Sports Club are fully-recognized campus organizations which teach and play their specific sport, and most sponsor competitive teams which travel to other schools to play in tournaments. Many also host tournaments here in Aggie-land.

Most of the clubs are always wel-

coming new members. Some have cubicles in the SPO, room 216 MSC. Information can be obtained in the IM office.

The sports involved include archery, bowling, fencing, judo, orienteering, polo, soccer, water polo, wrestling and many more. Come by and see if there is a club for your interest.

## Find-A-Playmate

Off campus friends and your roommates aren't interested in your particular sport? Never fear OCA is here.

OCA Stands for the Off Campus Aggies Association. OCA sponsors a find-a-team or partner service for

off-campus Ags. Just check with Gil Walter in the OCA cubicle in the SPO office, room 216 of the MSC.

Dorm students should check with their dorm IM representative or come by the IM office. If you want to play, we'll help you get involved. Find a playmate in IM.

'Blood Makes the Grass Grow' — that motto sums up rugby competition everywhere and

nowhere is the game played wilder or rougher than at Texas A&M.

## Recreation Facility Hours And Policies

joyous occasion will be in March, so start lining up your softball teams to come join in the fun. Watch this paper for more details.

## Attention Basketball Teams!

Basketball team captains, if you missed the team captain's meeting please come by and talk with Rick or Belinda about the status of your team. Your team was NOT automatically dropped from the tournament if you didn't attend the team captain's meeting. Please, everyone, check by the IM office to see if and when you're scheduled to play.

If you forfeit because you thought the team would be dropped, you are still responsible for the forfeiture fee. Basketball starts play January 16, so check by today.

## Sports Shorts

Entries Open — Now

All you free throwers and handball doubles players — On your mark! Today, January 14, is the first day for entries in Free Throw and Handball Doubles. Get set for fun and competition and go on down to the IM office in DeWare Fieldhouse to sign up. Entries close Tuesday, January 22.

In Free Throw, this special event can be entered as an individual and/or as a member of a three member team: Men, Women, or CoRec. Individuals shoot 20 throws; the champ is the person with highest score. Team winners are determined by compiling individual scores of its members.

Handball Doubles consist of two 21-point games and an 11 point tie breaker. Tournament is single elimination and players must provide their own gloves. Courts for practice may be reserved through the IM office.
