

# Aggies beat Rice in meet

By KATHLEEN McELROY  
Sports Staff

The Texas A&M track team — competing in its first outdoor meet of the season — Saturday beat Rice University 83-53 on Kinkaid School's all-weather track in Houston.

Tim Scott led an incomplete Aggie team with victories in both the shot put (64-9 1/2) and the discus (191-5). The only other person in the meet to win two events was Rice sprinter Darrell Mouton, who captured the 100- and 200-meter races.

Coach Charlie Thomas didn't use sprinter Curtis Dickey and pole vaulter Randy Hall in the meet as well as some of his long jumpers, who, like Hall, are resting after competing on a hard surface in the Southwest Conference Indoor Championships.

Dickey was resting a sore hamstring muscle. He also won't compete in the next meet for the Aggies, the Border Olympics. Instead, Dickey will go to New York for the National AAU Indoor Championship. While in New York City, he will

undergo some physical tests for pro football's New York Jets.

This was the first event for Texas A&M since it won the SWC Indoor two weeks ago in Fort Worth, and Thomas obviously was satisfied with the results.

"We felt everyone had a real good performance," he said, noting many of those who did compete were still physically and emotionally drained from the SWC meet.

Versatile runner Leslie Kerr only ran in two races — both relays — but the Aggies won them both.

Hall, the SWC indoor pole vault champion, and Dickey were missed in their events as Rice captured the pole vaults and the sprints, but Texas A&M outplayed the Owls in the overall competition.

The upcoming Border Olympics is an important meet for the Aggies because nine teams — including seven from the Southwest Conference — will compete in the event, which starts March 1 in Laredo.

Thomas said with the exception of Dickey, the Aggies should be back at full strength.

Rick Luecken pitched 4 1/2 innings of no-hit ball and Randy Woodruff knocked in two runs to lead Texas A&M University to an 8-2 victory over the Northeast Louisiana Indians in the nightcap of a doubleheader Saturday.

The Aggies won the first game, 8-3.

The highlight of the second game was provided when Woodruff, batting ninth in the lineup, scored Mike Hurdle from third base on a suicide squeeze. Woodruff also singled in a run in the second.

Luecken, 2-0, a freshman who also pitched five innings of no-hit ball in his first college start ever against St. Mary's Thursday, was not hit until Northeast Louisiana's Mark Marangan slapped a single up the middle in the fifth inning.

In the first game, sophomore right-hander Bobby Taylor, 1-0,

overcame a rocky first inning to win his first game of the year, and freshman first baseman David Flores knocked in two runs to pace the Aggie victory.

The Aggies, falling behind 3-0 in the first inning, struck back with two runs in their half of the first and four runs in a big second inning. The Aggies plated two in the fifth to round out the scoring.

The Indians were paced by second baseman Lee Prejean, who reached base four of the five times he batted in the doubleheader, three on walks and one on a fielder's choice.

The Aggie pitchers shut down the Indians' bats throughout the afternoon, allowing only four hits in the first game and three in the second.

The second game also saw the Aggies pull off four double plays, along with a sparkling defensive effort by shortstop Bryan "Twig" Little, who began two double plays with backhand stabs roving to his right.

The Aggies entertain Lubbock Christian Tuesday at 1 p.m.

# Women's track team beats LSU

The Texas A&M women's track team took first place in the Louisiana State invitational meet and qualified five more runners for the Association of Intercollegiate Athletics for Women national meet at the same time.

Five first places added to the team's total of 79 points, which topped 12 other teams.

Lori Scott, a second-year veteran of the team, ran her best in the two-mile and took first with a time of 10:36.31. Scott's school indoor record-setting time qual-

ified her for the AIAW indoor meet in two weeks.

Distance runner Sandra Brown brought in another first with her time of 4:55.31 in the mile.

First in field events came from Iris Tipton and Jan Chesbro. Tipton's throw of 44-3 3/4 won the shot put and Chesbro's jump of 5-6 captured the high jump.

The distance medley relay team, Karyn Wooten, Julie White, Brown and Scott, brought in an additional 20 points with its first. A time of 11:59.58 qualified the relay team for the national meet and set another school record.

Sandy Lambert took second in the pentathlon with 3,697 points, bringing the number of school records broken to three. Ellen Smith was third in the 600 yard dash.

The win was not unexpected but it was not what the team was concentrating on, said Coach Bill Nix.

"Our basic intention was to qualify more people for the national meet," he said.

The women go to the University of Texas this weekend for an outdoor meet; then nine runners will go on to the AIAW national indoor meet in two weeks.

# Gymnasts Shatter School Record

On February 9, the TAMU Men's Gymnastics Team competed in Austin in a double-duel and proved their ever-increasing strength. For the first time in several years, A&M defeated Texas Tech (147.0) by scoring a record 154.0 points, shattering their old record of 142.0 points. The team also scored well against t.u. who won with a 160.65. Recognition must go to the following for outstanding performances:

- Mark Hartwell: 5th on floor, 1st on Vault, 3rd on rings
- Scott Royle: 4th on P-Bars, 2nd on Pommel Horse, 1st on High Bar
- Pat Callihan: 2nd on Floor, 4th on Pommel Horse, 3rd on High Bar
- Steve Daniel: 2nd on Vault
- James Higgins: 5th on Vault
- Ray Moltz: 5th on Pommel Horse, 5th on Rings, 6th All Around
- Jim Foght: 6th on Rings

Other commendable scores were made by Rick Zapate, Eddie Morgan, Neal Irvin, Lee Burcham, Marty Garza.

Congratulations also go to "Gymnast of the Meet," Scott

Royle, for his superb performances.

A&M will be in San Marcos on Feb. 23, competing against

S.W.T.S.U., U.T.A., Pan American U., & Texas Tech. Good Luck Aggies!

# Soccer Results

The TAMU Men's Soccer Team played two home games this past weekend with mixed results, hosting Stephen F. Austin Friday night and Sam Houston State on Sunday. Against Stephen F. Austin, the Ags were cold, and although they equalled the Lumberjacks in shots, we lost by a score of 3-1.

Coach Dave Elentge said "The loss was probably the result of inexperience on the part of the team. We've got 6 new starters this season." The one Ag goal came on a rebound shot early in the second half by Edwardo Polerio.

However, the lack-luster performance by the Men on Friday seemed to be a spring-board for a solid victory against Sam Houston State. Outshooting Sam Houston 15 to 12, the Aggies took control and won 3-1.

Scott Gamble led the shooting statistics for A&M and finally tallied midway through the first half on a penalty kick. Ramon Marin got the other two scores in the second half with assists from Gamble.

# Love & Luck For Valentine's Day

The men's Aggie Volleyball Club hosted their annual Aggie Love Volleyball tournament February 8-10. In the men's contest the Aggies came out on top after topping second place Randolph Air Force Base 15-10, 15-10. The University of Texas ranked third and D.U.A. #1 placed fourth.

The ladies' crown was picked up by the Houston Stars with a glorious 15-10, 15-9 victory over San Antonio. Third place again was the University of Texas and Lamar University's White Team placed fourth.

Officiating jobs in Inertube Water Polo are available through the Intramural-Recreational Sports program at a pay scale of \$3.10 per game. Interested students should see Eric Hunter in the Intramural office, DeWare Fieldhouse. The first training clinic date for inertube water polo officials is Monday, March 3 at 6 p.m., Room 231 G.R.W.

# FOR THE RECORD

During the week of February 3-9, 10,518 people used DeWare Fieldhouse and G. Rollie White Coliseum. Over that 62 hour period an average of approximately 169 people per hour used those two facilities. This is a typical week during the winter. There have been days when as many as 2,500 people used G. Rollie White alone. And you wonder why you have trouble getting a basketball court?

Also, Tennis doubles entries hit 820 people, an increase of 40 over the record of 780 from 1979.
