

Penberthy Celebration a success

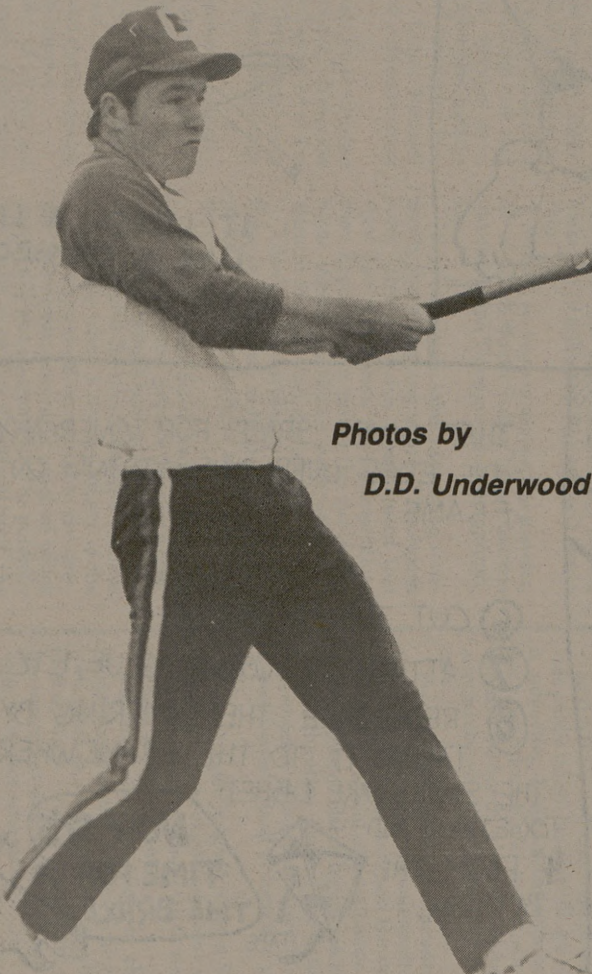

48 hours later they were still pitching

The cool wind blew, but loyal fans huddled to watch their teams during the softball tournament.

Jack Hedge, a junior and a pitcher for the Scrap Iron team, shows his style at one of the intramural softball games last weekend.

Walter M. Penberthy, former physical education teacher and Intramural Director in 1926, threw out the first pitch last weekend at the

marathon softball tournament, part of the Penberthy Celebration of Sports. The 48-hour tournament was only one of the many events in the sports celebration named in honor of Penberthy, who, during his career was head of the Health and Physical Education Department, Chairman of the MSC Council and Chairman of the Athletic Council.

Graduate student Steve Daniels, hits a line drive during the softball tournament last weekend at Penberthy Field.
