## Penberthy Celebration Smashing Success...

The Penberthy Celebration was a weekend filled with something to please everyone. 1) A tobacco-spitting contestant "loads up" for the accuracy spitting contest. 2) Vice President John Koldus speaks during dedication ceremonies for Penberthy intramural complex.

3) Rick Majewski shows mock anger over an "almost" home run during the softball home run hitting competition. 4) Sophomore Jennie Klepper helped man the concession stand. 5) Members of the judo club demonstrate that size isn't the most important thing

in judo. 6) Joanie Massengale watches one of the softball games with her father, Scott. 7) Melinda Cloud takes a well-deserved rest after an intense softball game.

### The Tournament

The softball tournament ran 50 hours and 20 minutes through Friday night's chill, Saturday's dust storms and wind, and Sunday morning's rain and drizzle. The tournament was a double elimination in men's, women's and co-rec divisions.

All the final games were close and exciting contests. In CoRec play, Half Fast came up through the losers bracket to beat the Gusto Gang in the finals.

The finals game was a close one with no score until the top of the fourth inning. It was a three up, three down game until the Gusto Gang brought a man in to home on a double and a single. The fifth inning saw no scores, but in the bottom of the sixth, Half Fast was suddenly inspired into motivation and scored three runs. The Gusto Gang loaded the bases in the seventh inning, but only managed to bring one man in home to give the game to Half Fast 2-3.

This tied the two teams and threw play into a deciding "if" game since each team had one loss. The game started off slowly in the first inning with each team only getting one runner on base before retiring at bat. The second inning started Half Fast's momentum as they scored 2 runs. The third went by quickly with no scores, but Half Fast picked up another run in the fourth.

It was not until the fifth that the Gusto Gang got moving, but when they did, it was a

momentum that scored 7 runs for them. The sixth gave three runs to Half Fast and two more to the Gang for a score of 6-9. Half Fast managed a tie in the seventh and another score in the eighth to lead 10-9. The weekend had finally worn down the illustrious Gusto Gang who just couldn't fight the final score and lost the game and came in second place in the tournament 10-9.

In women's play Half Fast came up through the losers

bracket to face Lucky Strikes. Luck was a lady that Penberthy weekend as the Strikers managed to pull ahead in the last innings from far behind in several tournament games to win.

It was almost that way in the final game as the score stood 7-3 in the third inning for Half Fast. The Strikers managed no-hit innings to bring their tally up to 5 when Half Fast scored to put the tally 8-5. The sixth inning was the Striker's lucky

charm as they scored seven runs to lead 12-8. Half Fast managed six scores in the seventh, but the Strikers made it to 15 to win the game and tournament 15-14.

The men's competition was fast and fierce. The Ballbusters came up through the losers ranks to match up in the finals against the Warriors. Each team got off to a good start with a run each in the first inning.

The juices did not start flowing again until the fourth inning as the Warriors scored their final point and the Ballbuster racked up 5 runs. Even with the bases loaded, neither team could get another man home and the Ballbusters took the game and tied the tournament 6-2.

The "if" game took 11 innings to decide the winner. Ballbusters started off with two runs in the first inning. The Warriors pitched a no-run inning and scored a run in the second inning. In the third the Ballbusters kept the Warriors from scoring and managed to add 3 runs to their own score. The fourth was a stalemate, but in the fifth the Warriors scored again to trail 2-5. The sixth gave the Busters another tally, but it was the seventh that turned the tide. The Busters gained 2 points for a total of 8, and the Warriors crossed home plate 6 times to tie the game.

It was a stalemate again until the eleventh inning when the Warriors made the final score after the game had been tied for 3 innings. Final score was 9-8 to give first place to the Warriors.
