

## Longhorns win opener, drop nightcap to Hogs

United Press International  
AUSTIN — Robert Culley hit a grand slam homer in the sixth inning Saturday to lead Texas to a 15-3 win over Arkansas, but the Razorbacks added two runs in the top of the ninth inning to capture the nightcap, 8-6.

The split, coupled with Texas A&M's weekend sweep of Houston, left Texas in a two-way tie with the Aggies for the Southwest Conference lead.

the opener as the Longhorns easily outdistanced the Hogs.

In the nightcap, the two teams battled to a 6-6 tie in the regulation seven innings before Arkansas added two runs in the top of the ninth on a single by shortstop Rob Kauffman, a sacrifice by Luis Zambrana and a triple by Todd Zacker for the win.

Both teams used three pitchers in the nightcap and injured Steve Krueger, 7-0, was credited with the win while reliever Mike Hamer, 4-1, took the loss.

## Ags lose close match to ranked Mustangs

By MIKE BURRICHTER  
Sports Editor

The Texas A&M tennis team won an easy match Friday and then lost a tough conference match to SMU Saturday in one of their best showings this season.

On Friday, the Ags overwhelmed North Texas State University, 8-1, in Denton. Reid Freeman led the Aggie onslaught with a 6-3, 3-6, 6-2 victory over David Cody in the No. 1 singles match. In other Aggie singles victories, Brian Joelson beat Scott Rolf, 6-4, 6-0; Ron Kowal defeated Jack Scheehy 6-4, 3-6, 6-3; Tom Judson defeated Mike Welsch 6-0, 6-4; and Boyd Bryan beat David Smith, 6-0, 6-4. Trey Schutz, the Aggies' No. 2 player, suffered the only singles setback against NTSU when he lost to Luciano Cuneo, 6-4, 6-3.

In doubles, Schutz and Jim Grubert started off the Aggie sweep with a 7-5, 6-3 win over Cuneo and Cody. Alberto Jimenez and Max King beat Rolf and Scheehy 6-3, 6-2 and Kowal and Judson demolished Welsch and Smith 6-0, 6-0.

The SMU match was another story. The Ags had upset the Mustangs in a tournament earlier this

season. The Mustangs were ranked fourth in the nation at the time and the 5-4 loss to the Ags in the Corpus Christi tennis tournament was the beginning of a downward slide which saw them ranked tenth going into the match Saturday.

This time the Mustangs were at full strength and ready to play. But so were the Aggies.

Four of the six singles matches went to three sets. SMU won the first three, and the Aggies won the next three to send the teams into the doubles matches in a deadlock. SMU clinched the team victory by winning two of three doubles matches.

"This is the best I have ever seen the tennis team compete in that we were in all of the matches," Aggie coach David Kent said. "Seven of the nine matches were three sets. We came within one tennis point of beating the tenth-ranked team in the nation for the second time this year."

"They were at full strength. I've been coaching for a long time and never had a team play so well to lose. I'm proud of our effort."

Jai Dilouie beat Schutz in the top seed singles match, 7-6, 6-4 to start things off for the Mustangs. Drew

Gitlin then defeated Freeman 7-5, 1-6, 7-5 and Jeff Turpin beat Brian Joelson 6-4, 4-6, 6-4 to give the Mustangs a 3-0 lead. The Ags countered with victories by Judson over Tom Cain, 6-4, 6-3; King over Jake Jordan, 6-4, 5-7, 6-4 and Kowal over Eic Van't Hof, 6-4, 4-6, 6-3.

In doubles, Gitlin and Turpin defeated Freeman and Joelson 3-6, 6-3, 7-5; Cain and Dilouie beat Schutz and Grubert, 7-5, 4-6, 7-6 and Judson and Kowal beat Jordan and Van't Hof 7-5, 6-7, 6-2.

Schutz and Grubert had a match point in their doubles match, but Cain and Dilouie edged them out to clinch the Mustang victory.

The Aggies now have a record of 15-7 in dual matches this year and return home to host Memphis State University at 1:30 p.m. today at Texas A&M's varsity courts.

The women's team stayed at home this weekend and hosted Lamar University on Saturday. The Aggies swept the doubles matches to claim a 6-3 victory.

After Aggies Liliana Fernandez, Maylyn Hooten and Judy Willard won their singles matches, the doubles teams of Hooten-Terry Neutze,

Judy Willard-Elise Richardson and Kathleen Sissom-Alexis Hefley won their doubles matches to give the Aggies the team victory.

Women's coach Hollis Hands said she was especially pleased with the play of Fernandez, the second-

seeded Aggie singles player in her singles match despite a shoulder.

The women's next match is against the University of Texas this Saturday at 10 a.m. at A&M's varsity courts.

## Pro scouts eye prospects in Aggie football seniors

By NATHAN HINES  
Campus Reporter

Three representatives from the National Football League and one from the Canadian Football League were at Texas A&M University last week, looking at the seniors from the 1979-80 Aggie football team.

The scouts were here to determine whether any of the players will be able to play football professionally.

Ken Hurak of the Tampa Bay Buccaneers, said Tampa isn't looking for any one player in particular. "I hate to use an old cliché, but we are looking for the best football players available," Hurak said. "We need some help offensively, but if the offensive players aren't there, then we will go ahead and draft the best defensive players available."

Hurak said a new player for Tampa would have a hard time finding a place to play on defense, since the Bucs were ranked first in defense last year.

Hurak feels he has found two of the best players at Texas A&M. "Curtis Dickey and Jacob Green have to be ranked as two of the best in the nation at their positions," Hurak said.

Bobby Gill, scout for the Dallas City Chiefs, said the main reason scouts visit more than 200 colleges each year is to measure a player's athletic ability.

"We know what kind of players they are," Gill said. "I want to determine just how well an athlete the players are. We want to know how good he is in the dash, what kind of strength he has in the standing broad jump, the vertical

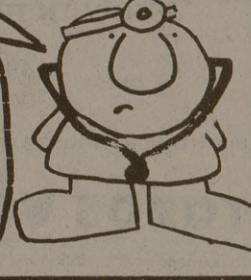

clear jump, triple jump and runs. We do all of this to determine how much agility and lateral movement the player has."

"All of the information athletes is then compiled and analyzed by coaches and scouts to determine the team drafts the best players, the coaches try to gain as much information as possible about the players, to make sure they don't make a mistake in the draft," Gill said. "A team doesn't want to waste a draft choice on a player who will never be able to play."

Along with the representatives from Tampa Bay and Kansas City, there were scouts from the Dallas Cowboys and the Edmonton Eskimos. The scouts looked at more than a dozen Aggies, and they were impressed with what they saw.
