## Governor exploring album idea

United Press International  
SHREVEPORT, La. — Former Louisiana Gov. Edwin Edwards, whose comedic talents are recognized only by his political flair, is considering recording a live Cajun comedy album titled, "They All Asked EWE (Edwin Washington Edwards)." Edwards, a master at speaking and off-the-cuff jokes, asked that the recording not be done in a studio, preferring a live setting to get his true flavor, record producer Bob Vernon said Monday.

"I have spoken to Gov. Edwards personally and he likes this idea very much," Vernon said. "In fact, he suggested we catch him at a banquet political function. He said that when he is at his best."

Ann Davenport, an Edwards assistant, said the former governor conferred with Davenport about the album and said he "would explore those possibilities."

Davenport said if Edwards did want to do the recording himself, an impressionist would be hired to handle the jokes. He said the recording would be distributed to "every outlet in Louisiana, Texas, Arkansas and Mississippi" as well as Washington, D.C.

There have been no dates set for recording or producing the album, Davenport said, but she said Edwards' royalties would be donated to the Louisiana Music Association.

Vernon said the New Orleans band, The Meters, would play the ground and fill music on the recording.

## Ton of money relieves man's case of blues

United Press International  
TULSA, Okla. — Bob Taylor's al payment on his divorce settlement amounted to a ton of money.

Armed guards who delivered Taylor's \$17,500 — in nickels, dimes and quarters — to the office of former wife's attorney Monday when the money weighed about a ton. "This is a lot of money but it doesn't hurt as much to give it when it's in quarters, nickels and dimes," Taylor said. "Paying in coins is sure getting me out of blues."

Taylor said he had planned to pay by check, but changed his mind when a collection attorney began threatening him.

"I just don't like being harassed and this is my way of getting back at her for siccing the collection agency on me," Taylor said.

"I guess as long as it's paid, doesn't matter," said Harry Lester, Mrs. Taylor's attorney.

### 1979 Rates in 1980 For the Best Summer of Your Life

Metro Properties, Bryan-College Station's largest apartment managers, has special deals on "summer only" leases: we've rolled back the prices to 1979.

You can lease any available Metro apartment for this summer at last year's rates.

For example, a one-bedroom, one bath unit at Sevilla starts as low as \$145/mo. Rates at Scandia begin at \$150. At Sausalito, 1 bedroom, 1 bath models start at \$175. At Sundance, rates start at \$185 and begin at \$190 at Cripple Creek.

All units will have shuttlebus service to the campus through the summer.

And there are special family sections at most projects: adjacent to the Oaks Park (near Woodstone Commerce Center on FM 30) and next to a child care center (in Anderson Ridge).

Call or visit any Metro leasing office today to arrange for an apartment for the Best Summer of Your Life.
