Kerr, Busch, Hall are All-Americans

by RICHARD OLIVER

The Texas A&M University men's track team has accomplished much this year. Specifically, they own the Southwest Conference indoor and outdoor track titles. Now, they have something else to be proud of. Leslie Kerr, Billy Busch, Sam Wilson and Randy Hall journeyed up to Wichita, Kansas to participate in the Kansas Invitational Track Meet Saturday, and three of them returned to Texas A&M as All-Americans.

Kerr, who has consistently led the Aggies with first place finishes in meets, streaked to a 45.75 victory in the 400-meter dash to lead the Aggie performance.

Busch, who most recently excited Aggie track fans with an excellent victory at the SWC outdoor cham-

pionships in Waco two weeks ago, cleared the high hurdles, placed sixth in the 400-meter dash and was named All-American trackster.

Finally, Aggie pole vaulter Randy Hall cleared 17-10 1/2 to place sixth in his event, rounding out the All-American showing.

The top six qualifiers in each event are designated All-Americans. "I thought Leslie Kerr ran excellent," said Ted Nelson, Texas A&M assistant track coach. "There was a 45.75 is a real good quarter (of a meter) in the wind."

"Hall also looked real good, and almost jumped 18-2 1/2. Busch did well also, considering the wind."

Several members of the track team, including Kerr and Hall, will represent Texas A&M at the NCAA track championships in Austin June 6-7.

Intramurals sign-up is June

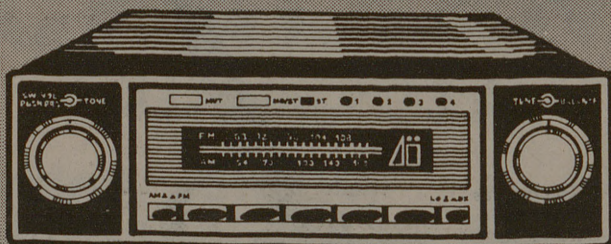

Students wanting to sign up for intramural three-man volleyball, three-man basketball, softball, and racquetball doubles and singles must do so by Thursday at 5 p.m. in the DeWare Fieldhouse intramurals office.

Schedules may be picked up any day. Teams will be given copies of schedules for their members. Singles competition members must set up their own matches with opponent according to schedules posted in the office.
