ASK ME ABOUT TV

By VAL CAREW

SHADOW OF HIS SMILE — Could you tell me the real name of the guy who plays Salami on "The White Shadow" and also where I could write to him? Do you send back personal replies? — Brenda Spicuzza, Fairborn, Ohio

Timothy Van Patten, who is the very young brother of actor Dick Van Patten (Tim is younger than some of Dick's own sons), plays Salami. And he will be back with the series next season. Write him in care of the show at CBS Studio Center, 4024 Radford Ave.,

Studio City, CA 90604. No, my personal replies, Brenda, are done through the newspapers. I get a large volume of mail and there would be no time to write the column if I answered personally. There would be no need for the column, either, if all answers were personal. Also, this way we can share the information.

POPULAR GUY — I saw your answer in the column about Genie Francis, who is Laura on "General Hospital," and I immediately thought of a question for you. What is the real name of the guy who plays Luke Spencer? Is he

married? How old is he? I'm desperate to hear the answers. — Emily Spratting, Camp Hill, Ala.

Anthony Geary plays Luke Spencer, and he is a very popular fellow. I am getting volumes of mail asking about him. He is single "and I intend to stay that way," he says. He is around 28 and a very nice guy. I know from personal experience. I recently worked with him on the show, playing the manager of a sleazy motel where Luke and Laura stayed and where the handsome young hit man followed them. Who is played by Rick Moses,

in case you are wondering.

HISTORY — In the series of several years ago, "The Tall Man," who starred in the title role and who played his friend? — W.H., Moss, Miss.

"The Tall Man" was on NBC from September 1960 to September 1962. Barry Sullivan played the title character, Sheriff Pat Garrett; his friend, William Bonney, was played by Clu Gulager. Bonney was better known as Billy the Kid.

SOULFUL QUESTION — I am a great fan of David Soul, who was on "Starsky and Hutch." I have seen him in a

TV movie since the cancellation of his series. I am wondering if there is anything else coming up for him, if you have one. — R. Miers, New Ulm, Minn.

David has made a film called "Rage," which will be on TV sometime next season. He plays an imprisoned rapist who undergoes therapy. Advance word is that he is wonderful in a different and difficult role. Write him in care of Sharr, 9145 Sunset Blvd., Suite 228, Los Angeles, CA 90069.
