Hobby speaks at Rudder Monday

William P. Hobby, lieutenant governor of Texas, will speak at 8 p.m. Monday in 701 Rudder. His talk, entitled "The 1980 Legislature: What the future holds," is sponsored by MSC Political Forum.

Since his election as lieutenant governor in 1972, Hobby served as chairman of the National Conference of Lieutenant Governors and was a member of the Executive Committee of the Council of State Governments. He is chairman of the Legislative Budget Board and co-chairman of the Texas Energy and Natural Resources Advisory Council.

In addition, Hobby chaired the 1978 State Democratic Convention and was re-elected in 1978 to a second four-year term as lieutenant governor.

He is president of the Houston Post and has served on the Texas Air Control Board, the University of Houston Board of Regents and the Board of Directors of the Houston Chamber of Commerce.

Hobby is a native of Houston and graduated from Rice University in 1953. He then served three years in the Office of Naval Intelligence after joining the U.S. Navy.

**A sensuous story of natural love.**  
Two children, a boy and a girl, are shipwrecked on a lost tropical island... they must survive, somehow alone. But nature is kind to them. The boy grows tall. The girl beautiful.  
They swim naked over coral reefs. They run in a cathedral of trees. And when their love happens, it is as natural as the sea itself, and as powerful. Love as nature intended it to be.
