A&M loses 4-0; record now 5-3-2

No. 4 Mustangs shut out Aggs

By RICHARD OLIVER
Sports Editor

Despite a partisan crowd of approximately 400 fans looking on, the Texas A&M University men's soccer team fell Saturday to the fourth-ranked SMU Mustangs, 4-0.

The Aggies, who concentrated on playing a physical, defensive game, succeeded for the most part through the first minutes of the first half, but finally succumbed to the excellent passing and defense of the experienced Mustangs.

Texas A&M is now 5-3-2 on the season, and faces a tough schedule ahead.

Head Coach Telmo Franco was happy about the play of two of his fullbacks, Todd Levitt and Sergio Bambrén.

"All of our fullbacks played an excellent game," he said Sunday.

"They were really solid on defense." But, most of the praise belonged to the high-flying Mustangs.

Led by a brilliant passing game and the flawless play of All-America goalie Randy Phillips, the Mustangs endured a tough first few minutes, but finally got on the scoreboard to

dampen the Aggies' enthusiasm a bit.

"We were playing well," said Franco. "The first half was very well played. When they scored first, it took a little bit off our team."

"SMU is good. There's no question they are solid. Everyone on that team is solid in every aspect. They are well-prepared. The caliber of soccer they play is the type of soccer that should be played in college."

The Aggies face Texas Tech at home Saturday.

Joelson claims singles title

By RICK STOLLE
Battalion Staff

Brian Joelson played what his coach called his best tennis ever and won the championship of the singles division of a Tri-meet with Trinity University and the University of Texas Sunday.

"When he puts his mind to it, B.J. can play with anybody," said Head Coach David Kent. "He came back after time, chasing down shots all over the court and returning them for winners."

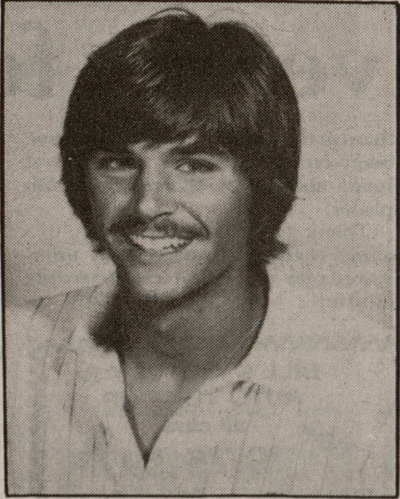

Joelson reached the finals by defeating Craig Karden of Texas 6-3, 6-2 Saturday. He defeated Mark Pinchoff of Trinity in a tough three-set match 5-7, 6-4, 6-4.

Yet, the doubles were the strong point of the tournament for A&M with three teams reaching the quarterfinals. But Reid Freeman and Brian Joelson lost 4-6, 6-3, 6-3 to

Mark Crawford-Craig Karden of Texas. Max King and Leonard Smith were defeated by Pinchoff-Tom Warneke of Trinity 4-6, 6-4, 6-4.

The only team to go further than the quarterfinals was Tom Judson and Ron Kowal who reached the finals before bowing. They defeated Mako-Henry of Trinity 4-6, 6-1, 6-0 in the quarterfinals. In the semifinals Judson and Kowal defeated Guillermo Stevens and Brian Crozier of Texas 6-2, 6-4. In the finals, they were beaten by Pinchoff and Warneke 6-4, 7-5.

The Aggs will have one more Tri-meet with Texas and Trinity beginning Friday as the tournament comes to College Station. The tournament is scheduled to begin at 2 p.m. All three teams are likely Top 20 candidates. Trinity finished last year as the number two team in the nation. Texas was 15 and A&M 18.

Texas takes TAIAW title

The Texas Longhorns once again took the TAIAW State Championships Saturday, wiping out the rest of the field in Georgetown for the third straight year.

Texas A&M finished third.

The Longhorns ended the day with a 28 point total, 38 points less than second place Lamar. Texas A&M had 72 points.

The 5,000 meter race was won by Midde Hamrin of Lamar, with a 17:01.9 finish.

Texas A&M finishers: Marilee Matheny, 18:18.1, 8th place; Lisa McCorstin, 18:30.6, 12th; Sandra Brown, 18:35.1, 14th; Barbara Collinsworth, 18:40.3, 15th; Annie Muniz, 19:39, 23rd; Adelaide Bratton, 20:00, 26th; Beverly Porter, 20:24, 28th.

The Aggies will travel to Fayetteville, Ark. this weekend for the SWAIAW Regional Championship.

How Does \$80,000 A Year Grab Your Assets?

| | |
|------------------------------------|---------------------|
| Accountant | \$29,788/yr.* |
| Attorney | \$56,477/yr.* |
| Chemist | \$51,492/yr.* |
| Engineer | \$45,101/yr.* |
| LUBY'S ROMANA MANAGER | \$80,000/yr. |

Seem hard to believe? The average Cafeterias, Inc. manager did earn over \$80,000 last year. The average training period to become a manager is 6 to 8 years. Managers attain these earnings by collecting a share of the net profits from their own cafeteria. The average associate manager last year earned \$45,000. This earning level is attainable in 3 to 5 years.

To become a manager of one of our cafeterias is a very special business opportunity. You'll be joining an ambitious and progressive company that requires more of its managers than any food chain in the Sunbelt. Local managers are decision making businessmen who are responsible for all purchasing, menu planning, and hiring of personnel. We grant our managers a great deal of autonomy, and treat them as business partners. Cafeterias, Inc. is a firm believer in promoting from within; hence, most Corporate Officers are former unit managers.

Cafeterias, Inc. is not restricting interviews to only Business majors; we're open to all degrees. We're looking for people who are interested in becoming dynamic, aggressive, and well paid businessmen. If that's your goal, then we're looking for you!

* Average Salaries; highest level of experience, difficulty, and responsibility, from the National Survey of Professional, Administrative, Technical, and Clerical Pay, March 1978—U.S. Department of Labor, Bureau of Labor Statistics, Bulletin 2004.

We will be interviewing on your campus on Monday, November 10 and Tuesday, November 11, 1980.
If interested please contact your placement office to sign up for a personal interview.
