Rugby Club Update

On the weekend of October 25-26, the Texas A&M Rugby Club traveled to San Antonio for the Tenth Annual Seven-a-side Rugby Tournament.

Faced against a stiff field of thirty teams, the Aggies came away with a respectable showing of four wins and two losses. The two losses came at the hands of the Austin Rugby Club and the Ft. Worth Rugby Club. These two teams eventually met in the semi-finals with Ft. Worth ultimately advancing to the finals and bowing to the

Dallas Rugby Club in a heartbreaker, 10-8.

The Aggies returned from the trip with a 6-3 overall record for the year. The team competed this past weekend at home against the Old Boys Rugby Club.

The fall season will be rounded out when the Aggies travel to Little Rock for the Ozark Tournament on November 8-9, to Austin for a Cup match on November 15, and to the Houston Invitational Rugby Tournament on November 22.

Football Playoffs Continue

The first of Flag Football playoffs were completed last week and several games had to be decided by penetrations. A team is awarded a penetration when it crosses its opponents twenty yard line. However, a team can only earn one penetration per possession.

The Keathley Kommets and Hobby/Neely Hecklers played last Sunday to an 8-all tie, but Keathley advanced in the playoffs by winning penetrations, 3 to 1. The Kommets picked up all of their penetrations in the first half while the Hecklers lone penetration came in the second half.

In Monday's competition, the Men's Independent A and B action each had two games decided by penetrations. The Astros and Hyper Space ended Class A regulation play scoreless, but Hyper Space won the penetration wars, 3 to 2.

In another Class A contest, the Hard Heads defeated the Snarps by a score of 4 penetrations to 3. Both teams tallied 18 points in the first half but were unable to

cross the goal line during the second stanza.

Close Men's Independent B play was evident when quick Six stopped the Clippers by 4 penetrations to 2 as they tied the contest at 12 all. The Tyler Rebels lost to AWT in the closest contest of the night. The teams played to a scoreless tie but AWT was the eventual winner on the merit of a single penetration.

Tuesday's Men's Independent Class B action was again the closest division with three games being decided by penetrations. Rigor Mortis defeated Big Dogs 14-14 due to a 3-2 edge in penetrations, while Terrible Ten was defeated by BQ 80 by a 2 to 1 penetration advantage. The contest ended at 6 points apiece. The last close game of the night occurred when the Coons topped Third String by a score of 4 penetrations to 1.

The contrasting game of the week was last Sunday's contest between the Playboys and OCA I. The Playboys tallied 30 points in the first half and responded with 36 more in the second half for the 66-0 win.

Dan Huffman captures the 50-yard Butterfly championships. Dan was competing in his fifth consecutive intramural cham-

pionship this past week, having entered every fall since 1976.

Swatting a large fly? No, this young lady has just completed a successful serve in IM volleyball action. She is our McDonald's Be Our Guest winner this week and can pick up her B.O.C. card at the IM office merely by bringing her student I.D. card and her "Klein P.E. shirt" into the office.

'It's a bird, it's a plane!' No, it's Cathy Bohrer getting the better start in the IM Sweatshirt relay. Although Cathy's team lost

this race, she was one of three triple winners in the All-University Swimming Championships.
