her after the attack. The man began to walk an returned and slashed her this stabbed her in the stomach.

Third-grad campaigne hits issues

WACO — The canding going for the top on his nothing less than presid United States.

The candidate in que Johnathan P. Webb. He third- graders at Providen Elementary School in We tossing their hats into the special project. The first di

speech read:
"I hope you would vote for president. I promise I will be not the note." price of inflation and the pn and the price of tax.
"I would try to free the

Iran and stop the war ap and Iraq and make peace and Iraq, then I would got of Waco and talk to the town of Waco and ask lower the price of food at stores and cafes for people have enough money with "I would arrest all the po

are bad." The speech touched mugut issues: inflation, OPEC the hostages in Iran, the war, runaway food prior

soaring crime rate.

Webb may have had in from teacher Charlotte but the wise candidate himself with competent

1980-81 ENGINEER GRADUATES

You've worked hard for four years. Now Aramco offers big rewards.

Interviews here

November 13 and 14. More money. Unparalleled professional experience. Career advancement opportunities. World's largest oil producer of-

November 13 and 14 for unique management training positions. Only a few years from now, some of the 1980-81 graduate engineers we interview will very likely be key managers

fers them all. Aramco interviews here

helping run the world's largest oilproducing company, Aramco. We are engaged in virtually every phase of energy industry development in Saudi Arabia: exploration, drilling, refining, shipping, gas gathering, pipelining and terminaling. And many support industries too: electric utilities, EDP, communications,

and industrial/residential construction. Our history of success has been built on our people. And our successful future still depends on a special breed of professional who is willing to join the Aramco teamenergetic, effective, eager to meet the Aramco challenge.

If you belong to this special group, we

would like to talk to you about our unique

three-year management training program

in Saudi Arabia. We have opportunities

in the following areas:

for individuals with B.S. and M.S. degrees

• Petroleum Engineering

• Chemical Engineering • Mechanical Engineering

• Electrical Engineering • Material Science/Metallurgy

Aramco offers an exceedingly attractive starting salary that's competitive with top U.S. firms. We compensate you for overseas cost-of-living differences. There also is a generous premium for overseas em-

ployment that is tax-protected. Besides the attractive financial package, Aramco offers an outstanding combination of benefits, including comfortable housing, abundant recreation, and 40 days' paid vacation every 121/2 months, time enough to travel to places in Africa, Asia and Europe that most people only dream about.

Interested? Sign up now at the placement center for your interview with Aramco's representative. If you can't make the interview, you can still learn more about these jobs by calling, (713) 651-4126. Or send your résumé, in confidence, to: Aramco Services Company, Department TAM110480RASA, 1100 Milam Building, Houston, Texas 77002.
