Maughan collection will open

The official opening of the J. Frost/W. Somerset Maughan collection currently being housed in the Special Collections Division of the C. Evans Library will be at 7 p.m. Friday.

The collection includes one literary work of Maughan, a novel which includes *Catalina* and *Man Bondage*.

Don Dyal, head of special collections, said the collection gathered by Frost, and many editions have been autographed by Maughan.

Several letters exchanged between Maughan and Frost are on display, Dyal said.

The opening ceremony will include remarks by Texas A&M University English professor Fred Burt, who is a Maughan scholar, and Irene B. Hoadley, library director, and David H. Stewart, head of the English department, will also participate.

Refreshments will be served.

NOTICE BIOMEDICAL SCIENCE MAJORS
Preregistration for the Spring Semester 1981 will be conducted during the week of November 17-21, 1980.
All Biomedical Science majors are required to schedule a conference with their Academic Advisor and obtain an approved Course Request Form for use at preregistration. You can avoid long waiting periods by making an appointment with your advisor and having your Course Request Form approved prior to the week of preregistration. Deliver your approved Course Request Form to the Biomedical Science Office, Room 332, Veterinary Medical Administration Building. During preregistration week, you should return to the Biomedical Science office to pick up your registration packet and complete your preregistration.
