## Kyle Field site of key bi-district playoff games

By RICK STOLLE

Eyes from all over the state will be turned toward Kyle Field this weekend as two class 5A high school bi-district playoff games, including the top game, will be held at the stadium.

The first game, tonight at 7:30 p.m., pits the eighth-ranked, 9-0-1, Fort Bend Dulles Vikings against the 8-2 Austin LBJ Jaguars.

The second game, on Saturday at 8 a.m., has been called the premier high school football game in the state by both coaches. The Temple Wildcats, 10-0, top-ranked and defending state champions, will take on the 10-1, third-ranked Conroe Tigers.

Tickets for the games will be on sale for \$4 at the gate.

The Temple veer offense has rolled up impressive yardage throughout the year. Leading the offensive charge for Temple is Kenneth Davis, a two year starter at halfback. Davis also is a leader on defense where he is a three-year starting cornerback.

Davis, who has had his second 1,000 yard season, is complemented by sophomore quarterback Bret Stafford and wide receiver McQueen said has a great football mind for such a young man.

The coach said his biggest worry is the size of Conroe. He hopes the speed of the Wildcats will offset their size, he said.

"They are a large team with good speed," McQueen said. "We are a small team with excellent speed."

He said Temple will have to rely on their quickness to win the game.

The Tigers are led on offense by quarterback Ross Williams, receiver Danny Williamson and halfback George Landry. Williams has rushed for 599 yards and thrown for 755. Williamson, district 16-5A receiving leader, has caught the ball 32 times for 563 yards. Landry leads the team rushing with 698 yards and a 7-yard-per-carry average.

Moorhead said his Tigers would like to cause a few turnovers and control the tempo of the game.

The Conroe defensive line is one of the largest in the state. Moorhead said his four linemen weigh 300 and 300 pounds, respectively at tackle and 200 and 235 at the ends.

The Tiger defense has been tough, giving up only 93 points in ten games. Moorhead said he hopes he can hold Temple to two touchdowns.

"Temple has a quality athlete at every position," he said. "I hope the tough game they had last week against Bryan has an effect but I doubt it. Quality athletes always come back."

The first game, tonight, pits the tough Dulles Viking defense against the high flying offense of Austin LBJ.

The Jaguars run a "diamond I" offense. A diamond I is a veer offense with an I back.

The offense has no single outstanding player, halfback Kenneth Hardeman has gained 859 yards and tailback Horace Ates has rambled for 720 to lead the team.

"We like to spread the success around," said coach Jim Davis. The run-oriented offense of the Jaguars is based on both the veer and I offenses, he explained.

Davis said the defense has also been a plus for the Jaguars. It has three shutouts to its credit.

"We changed the defense slightly after we lost the first two games of the season," said the coach, "and went to more man-to-man coverages. The safety became a rover who now helps everybody else."

"This game looks like push has come to shove," Davis said.

Viking coach Benny Carter could not agree more. "We have a great defense and they have a very good offense," he said. "Something has got to give."

The Dulles defense has allowed only 58 points over the course of their undefeated 9-0-1 season.

"Only one team has scored over one touchdown on our defense," Carter said. Dulles has allowed only 619 yards rushing and 740 yards passing over the season.

The Vikings are also run-oriented but will throw occasionally and have gained 400 yards passing. The main cog on offense, however, is Anthony King.

King starts at fullback and defensive guard. He has gained 1,041 yards for a 6.5-yard-per-carry average on the season.
