## IM Game Plan

**ENTRIES OPEN:** Today (Monday, February 2) marks the opening day for two of the IM Department's most popular tournaments. Both Slow Pitch Softball and Racquetball Singles will be open for entries until next Tuesday (February 10). However, next week would not be the most advisable time to enter your team or yourself — the sooner the better. Get on down to the IM Office TODAY and enter yourself in the Racquetball Singles tournament or your team in the Slow Pitch Softball competition. Remember both events offer A, B, and C classes so that experts through novices are able to compete at their own level.

**FREE THROW SHOOTING CONTEST:** Entries will be accepted through tomorrow (February 3) for the IM Free Throw Shooting competition. The contest will be held Tuesday, February 10 from 7 - 10 p.m. on the Main Floor of G. Rollie White. Individuals and teams are encouraged to enter. Anyone having any questions regarding the contest is urged to call the IM Office at 845-7826.

**FENCING TOURNAMENT:** Tomorrow also marks the closing date for the IM Fencing Tournament. The contest is open to any individual who has fenced in less than two intercollegiate tournaments. AFLA rules will apply and equipment will be furnished if necessary. The tournament date is Saturday, February 14 at 9 a.m. sharp. If you have not already entered, stop by the IM Office before 5 p.m. tomorrow and fill out an entry form.

**NEW FACILITIES, OLD RULES:** Even though the Intramural-Recreational Sports Department now boasts shiny new facilities, several age old rules still apply. To enter any of the recreational facilities on campus (DeWare, G. Rollie White, East Kyle, Swimming Pools, and Tennis Courts) evenings and week-ends, every person must present either a student I.D. card or a Recreation I.D. card (available for \$1.00 in the IM Office). So please remember to bring your card with you when you recreate and don't be angry with our personnel if they refuse to allow you in without it — they are only doing their jobs as instructed.

## Intramural Program Receives High Marks

The 1981-82 edition of *The Insider's Guide to Colleges*, published by The Yale Daily News, touches on the merits and shortcomings of more than 250 colleges and universities in the U.S.

As one of eight Texas universities cited, A&M received praise for both the campus intramural programs and student union programs.

## Weightlifting Club Welcomes New Members

Gregg Thome displays the extreme determination involved in weightlifting. Gregg is working out in the Weightlifting Club's weight room.

Whether you look like the Great Alexia or Woody Allen, the Weightlifting Club has room for you.

"The club specializes in the powerlifting form of weightlifting," said club president Phil Bellmore. Powerlifting consists of three events, the bench-press, the squat and the dead lift.

"The club spent \$2000 last semester on new equipment and plans to spend around \$1300 this semester," Bellmore said. The club moved, he added, to a new and larger room, in G. Rollie White Coliseum, (Room 256).

The club is sponsoring the Texas Teenage Powerlifting meet on the weekend of March 28. Bellmore also stated that the club is sending Tom Bartosh to the collegiate na-

tionals in Pennsylvania later this semester.

The club hopes, to top the 200 mark in membership this semester and they are especially interested in freshmen and sophomore who want to join the club.

For more information on the Weightlifting Club, call club president Phil Bellmore at 696-2855.
