

# ACC team in championship

United Press International  
ATLANTA — Virginia Coach Terry Holland says the best thing about having his Cavaliers play North Carolina next Saturday is that no matter how it turns out there will be an Atlantic Coast Conference Team in the NCAA finals.

Virginia and North Carolina advanced this past Saturday to next Saturday's national semifinals at Philadelphia, the third-ranked Cavaliers (28-3) beating Brigham Young 74-60 in the NCAA East and the sixth-ranked Tar Heels (25-5) beating Kansas State 82-68 in the NCAA West.

"Of course, what I would have preferred," said Holland, "would be to play North Carolina in the finals because then the ACC would have been assured of winning the national championship."

Virginia beat North Carolina twice during the regular season, 63-57 at home and 80-79 at Chapel Hill, N.C.

"It's a great rivalry," said Holland. "After we beat them in the second game, I got a lot of letters from Carolina fans telling me they would see us again up the road."

Virginia forward Jeff Lamp, named the Most Valuable Player in the NCAA East Tournament after scoring 18 points in each game, said the Cavaliers know what they need to do to get ready for North Carolina.

"They are certainly no strangers to us," he said.

But Holland said he wasn't too sure his team, the ACC regular-season champion,

would be going to Philadelphia after Maryland beat Virginia by 23 points in the ACC tournament, which North Carolina won.

"Frankly, I was very concerned the Maryland game might ruin us," said Holland. "But we've got class players. They made a great comeback. They've sacrificed to get this far but the next two games are what really count."

Virginia made it to the Final Four by coming from behind to edge Villanova 54-50, sweeping past 15th-ranked Tennessee 62-48, and then overcoming a seven-point first half deficit to knock off 17th-ranked Brigham Young.

"The deserving team is going to the Final Four," said Brigham Young Coach Frank Arnold. "Ralph Sampson is a great player and Virginia has much more with Jeff Lamp and Lee Raker."

Arnold had warned the Cougars they had to stop Sampson if they wanted to beat the Cavaliers.

For the first half, the Cougars did a pretty good job of holding Virginia's 7-foot-4 sophomore in check, leading 31-28 at halftime. But the towering Sampson turned back to his All-American self in the second half, winding up with 22 points, 12 rebounds and 4 blocked shots — all game-high figures.

"When Sampson got going in the second half, Virginia got going," said Arnold. "Sampson's presence on the court intimidates you."

Lamp kept the Cavaliers within distance in the first half by scoring 14 points and Sampson took over after intermission, putting the Cavaliers ahead for the first time since early in the

game with a dunk that made the score 36-35 with 15:50 left.

Brigham Young All-American Danny Ainge was charged with a technical foul for protesting Sampson's dunk, claiming he hung on the rim. That point plus two more quick baskets sent Virginia from a point behind to six ahead in about one minute and completely changed the momentum in the game.

"We all played a better second half," said Sampson. "I don't know if that was one of my better halves in a while or not. We were all a bit tense in the first half and then loosened up."

Sampson, Lamp, Raker and Ainge were named to the NCAA East Tournament All-Star team along with Notre Dame's Orlando Woolridge.

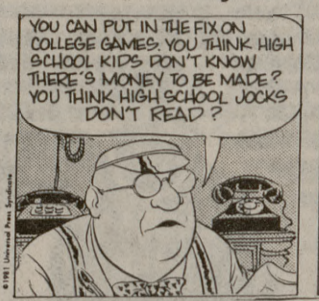

"Although we were three down at halftime, I thought we were in good shape," said Holland. "We deserve to go to Philadelphia. I was no fluke."

Brigham Young, which finished 25-7, gunned haplessly from the outside after Sampson took command. Ainge, who won Thursday's 1-point victory over Notre Dame with last-second heroics, did not score a second half field goal Saturday. And although he wound up as high scorer for the losers, he had only 13 points.

"I told our kids in the dressing room after the game to stand tall and stand proud," said Arnold. "I told them the better team won today."

## Port Arthur Lincoln wins 5-A title

United Press International  
AUSTIN — Center Leonard Allen, the game's leading scorer with 26 points, dropped in 10 in the last 55 seconds Saturday night to give Port Arthur Lincoln a come-from-behind 92-84 win over San Antonio Marshall to claim the Class 5-A title in the 61st annual boys' state basketball tournament.

Allen's heroics enabled the Bumblebees to come from behind after Marshall had taken an 84-79 lead with 1:27 left. Mike Jaco scored on a jumper and Allen, a 6-8 senior, put up a tip-in with 55 seconds left to move his team to within one. Allen then gave Lincoln the lead for good with another stuff shot with 35 seconds left, 85-84. He then reeled off six straight free throws to clinch the vic.

Marshall had made its own comeback after trailing 64-48 with 4:40 left in the third quarter.

### IM Wrestling Finals

The Intramural Wrestling Tournament Finals took place Tuesday night, March 10. Fortunately, there were not any Wahoo McDaniels or George Georges, but there was plenty of good competition.

The weight divisions in Classes A and B were: 118, 126, 134, 142, 150, 158, 167, 177, 191 pounds and unlimited.

In the 118 lbs. class, David Jarvie pinned Qui Ha for the Class A title while Greg Garbee defeated Kevin Smith in Class B. In the 126 lbs. class, Todd Maples topped Andrew Rettenmaier on points, 3-2 for the A crown. In the B competition, Greg Perkins outscored Adrian Burke.

The Class A crown in the 134 lbs. weight division went to Martin Migliori as he pinned Paul Anglin while Jim Arnet pinned Sam Hawes for the B title. Mel Mehrrens' overtime win over Mark Janichi earned him the 142 lbs. Class A title while Mike O'Grady topped Bill Ley on points, 6-4, to win the B crown.

In the 150 lbs. class, Stan Scott was the A winner and Richard Goswick topped Ninh Le for the B title. The 150 lbs. B division was the largest bracket of the tournament. The 158 lbs. Class A division was won by John Johnson, 6-3, over Philip Mixon. The B title went to Bob Bearden, 4-0, over Glen Garner. Jonathan Scott won the 167 lbs. Bobby Strogon won the unlimited division in Class A with a pin over Bert Massengale. Chip Stem pinned David Lyons (:31 into the third round) for the B title.

### Frisbee Tournament

Speed, hand-eye coordination, accuracy, and grace were evident Sunday, March 8 in the Intramural Department's Frisbee Tournament.

The tournament events were: Disc Golf, Maximum Time Aloft, Throw Run Catch, Distance, and Freestyle. There were 13 contestants; ten male and three female.

Disc Golf was played on an 18-hole, par 60 course set up in the area inside the aerobics track. Mike Barry won the men's event with a three over par 63. Janice Sparwasser took the women's title with a score of 76.

The next three events were held on the drill field in front of the Memorial Student Center. Maximum Time Aloft was the next event. The idea behind MTA is to have the disc in the air as long as possible and still be able to catch it with one hand. Each participant receives four throws.

Kevin Barwick won with a hovering throw of 9.38 seconds. Sheri Harper won the women's event.

The next event was the murderous Throw Run Catch. In this event each person also receives four tosses with the object being to get the most distance out of a throw and still being able to catch it with one hand.

Barwick also took this event with a TRC of 157'8". He also repeated as a winner.

The participants then competed strictly for distance. Steve Veale won with a toss of 272'6.5". Ann House won the women's event with a toss of 99'6".

The final event, Freestyle, was held in G. Rollie White Coliseum on the stage Jimmy Buffett performed on the night before. There are two contests on each team and the object is to keep the disc going for five minutes with the most style, grace and variety. The routine is judged on music and scored by the contestants.

Barry and Jeff Ryman won the event with an impressive showing.
