Holmes wins to retain title

United Press International
LAS VEGAS—Larry Holmes retained his World Boxing Council heavyweight crown Saturday night with a unanimous 15-round decision over Trevor Berbick, a brawling Canadian challenger who pushed the champion to the limit.

Holmes, 31, had his record of eight consecutive knockouts in title defenses halted while Berbick, a Jamaican now living in Halifax, Nova Scotia, fell to 18-2-1. Berbick represented Jamaica in the 1976 Olympics.

Berbick, 27, charged out of his corner in the first round and taunted Holmes by dropping his hands and yelling at the champion. Holmes responded with a series of jolting left jabs.

As the round ended, Berbick chased Holmes to the champion's corner, still taunting him. Holmes then responded by shoving the challenger, who then lunged at Holmes and knocked down referee Mills Lane.

Berbick continued talking to Holmes for the next four rounds but Holmes began to pile up points with his piston-like jab. Berbick won the sixth round, landing two solid left hooks to the champion's head.

The highlight of the fight came in the final 30 seconds of the seventh round when Berbick backed Holmes into a corner and the two battered each other while the punching continued after the bell.

Holmes' superior boxing skill began to wear down the challenger in the eighth and ninth rounds and the champion began scoring with lefts and rights nearly at will.

Netters defeated by Hogs

Showing why it is top ranked nationally, the Arkansas Razorbacks tennis team crushed the Texas A&M men's team 8-1 Saturday.

Arkansas defeated ninth-rated Trinity 7-2, number 16 TCU 6-3 and A&M 8-1 before playing Rice Sunday in Houston to complete a brutal road trip.

"I can't believe they can do that and keep their edge," said Aggie coach David Kent. "We have rest and play emotional tennis to win." Unfortunately, it seemed emotion hurt the Ags more than it helped.

Both Reid Freeman and Brian Joelson showed their frustration and were totally dominated in their tennis matches.

Arkansas' Chip Hooper handily defeated Freeman 6-0, 6-4 and Peter Doohan beat Joelson by the same score to pace the Hogs.

Hooper and Doohan are ranked nationally numbers 20 and 23 respectively in the latest Intercollegiate Tennis Coaches Association poll.

"He is so good," said Freeman of Hooper. "I think he has a world ranking."

The only win for the Ags came in the number five singles when Tom Judson defeated Jose Lam-

bert 7-6, 3-6, 6-4.

Aggie frustrations continued in doubles as the Hogs took all three in fairly easy straight sets.

The Ags, now 17-9, will finish their season next weekend as they take on Pan American University and Lamar University Friday and Saturday. Both matches will be at the Omar Smith Tennis Center and will begin at 1:30 p.m.

The Ags have finished their SWC season with a record of 39-32. The SWC match record will determine the seedings at the SWC tournament in Corpus Christi April 24-26.

The new national rankings are out and Houston is the top rated SWC team at number four. Arkansas is seventh, SMU 11, Texas 14, TCU 16 and A&M 17.

Texas wins first

United Press International
NEW YORK — Al Oliver and Mickey Rivers each singled in two runs Sunday to lead the Texas Rangers to a 6-4 victory over the New York Yankees.

The Rangers wiped out a 3-0 deficit with a two-out rally in the fifth inning off Ron Guidry. Mario Mendoza singled and walks to Bump Wills and Rivers followed. Mendoza scored on a passed ball by Yankees' catcher Rick Cerone.

Oliver then ripped a single to center, scoring Wills and Rivers, tying the score at 3-3.

In the seventh, Texas knocked Guidry out of the game when the first four batters connected for hits to give the Rangers a 6-3 lead.

Astros drop third to L

United Press International
LOS ANGELES — Ken Landreaux belted a two-run home run and Bill Russell had three hits, including an RBI single, Sunday to lead the Los Angeles Dodgers to victory over the Houston Astros for a sweep of their three-game series.

Right-hander Rick Sutcliffe pressed into duty because of injuries, allowed six hits in seven innings to get the victory. Steve Howe, the National League Rookie of the Year in 1980, pitched the Dodgers out of an inning jam to get the save.

Landreaux, acquired spring from the Minnesota Twins last year and only the second year after Davey Lopes hit the third inning with a single. Russell's RBI single came in the second inning off loser Ruhl.

Pinch-hitter Dave Bergman slammed his first homer of the year and only the second in major league career to open the Astros' sixth inning. The defying NL West champs got the second run in the eighth when pinch-hitter Terry Puhl singled with one out, took third on a pinch-hit double by Dennis Martinez and scored on Jeff Leonard's sacrifice fly.

Fast Pitch Softball
The Routers men's and women's fast pitch softball team swept the Intramural department's fast pitch softball tournament Sunday, April 5.
Milton Radke pitched a near-perfect game in the finals as the Routers shut out AID, 6-0. Their female counterparts scored three runs to open their game and costed to a 6-2 win over Keathley.
AID's Brian Landsheft led-off the bottom of the first by reaching first on an error. He was the first and last base-runner for AID, as Radke and his teammates shutdown the next 21 batters in a row in rout to the victory.
The Routers big inning was the third when they tallied four runs. Their initial four batters hit the inning; Scott Royder, Stan Beauchamp, Scott Gillis, and Cadena, scored. Brent Brentz picked up the Routers' other two runs in the second and fifth innings.
The female Routers followed about the same suit, as their lead-off, third, and clean-up batter scored, in their 6-2 triumph over Keathley.
Sissy Burns, Paula Ezzell, Cathy McMahan, and Joan Zatopek each scored a run while Dana Theissen tallied twice.
Keathley's runs came in the final two innings and Sue Carter and Mary Segovia scored them.

Angelique Copeland of The Battalion's IM basketball team drives for a lay-up and wins our McDonald's® "Be Our Guest" award this week. She can pick up her B.O.C. free meal card at the Intramural Office.

Wanted: Input!
The Intramural-Recreational Sports Department is very interested in what YOU — the students, faculty, and staff — have to say about the programs offered. We are interested in your opinions about activities, rules, entry fees, and any other pertinent ideas that you may have. To receive your feedback in these areas, a meeting has been scheduled at 7 p.m., Thursday, April 23 in Room 601 of Rudder Tower. Team managers (especially dorm and corps representatives) of any sports as well as any other interested individuals are urged to attend this meeting.
The following questions will be among those that will be discussed. Present these questions to your players and friends before the meeting so that the best possible feedback will be available. If possible, please bring a copy of your ideas to the meeting.
1. What rules, in any sport, would you like to see changed?
2. With the increasing number of team entries, would you rather see limited entries or no rescheduled rain-outs?
3. What alternatives do you see for solving the problem of large entries and limited playing space?
4. The current team entry fee of \$5.00 may be raised to \$20.00 per team. What effects will this change have upon you or your team?
5. What are your thoughts about an entry fee for individual and dual sports?
6. Because of the problem of potential Class A teams playing in Class B in order to increase their chances of winning an All-University award, should awards be given to Class A only? What other alternatives do you see to alleviate this problem?
7. What is your opinion of Friday and Saturday leagues? All of the replies will be considered by the Intramural Recreational Sports Staff in order to try to improve YOUR program. Remember, these questions are only ideas and if you have any other ideas, please bring them to the meeting.
Individuals unable to attend the meeting are encouraged to visit the Intramural Office in 159 East Kyle and share your ideas with James Welford, Associate Director. The IM-REC SPORTS DEPARTMENT sincerely hopes that individuals and teams will take this opportunity to air their opinions regarding various facets of the IM program. Now is the time to speak up!
