- 28- Most Ags wish theirs were higher
- 31- Maybe Spring Break helped you get out of yours
- 32- White belt, but no boots
- 34- Title you get if you make it through med school

# Alternatives to hitting the books

Of course you should be studying. But all work and no play makes Joe bored. Smart, maybe, but bored. So you don't have to waste time trying to think of what to do when you've had absolutely enough studying, here is a list of suggestions. This should save time, because all you need to do is choose an activity rather than think of one on your own.

## PLACES TO GO AND THINGS TO DO ONCE YOU GET THERE

- ✓ go to a movie and watch it four times
- ✓ check out all the places in Focus's guide to all-night eateries, and count the pieces of gum underneath the tables
- ✓ drive around campus, and wave and yell "Hey, Bill!" at everyone you see

## THINGS TO CLEAN

- ✓ defrost the freezer and eat the frost
- ✓ clean your room (this includes changing your sheets)
- ✓ do your laundry
- ✓ remove all out-of-date notices on campus bulletin boards
- ✓ clean the bathroom, including the scum on the shower curtain

- ✓ scrape the dead bugs out from around your window sill

- ✓ wash dishes

## THINGS TO EAT

- ✓ bake cookies
- ✓ order a pizza (you can bite your nails until it gets there)
- ✓ make nachos
- ✓ make coffee (if you drink enough, you'll O.D. on caffeine and have another excuse not to study)

## INTELLECTUAL PURSUITS

- ✓ stare into space — the final frontier
- ✓ read back issues of your home town paper
- ✓ tell your roommates about your first kiss, then hear about theirs
- ✓ go swimming
- ✓ read this issue of Focus from cover to cover
- ✓ peel the aluminum foil off the back of a gum wrapper
- ✓ stick your head out the window and yell, "I can't remember my name!"

- ✓ read old love letters or write new ones

- ✓ re-hang a poster crooked to drive your roommate crazy

- ✓ watch three episodes of M\*A\*S\*H in a row

- ✓ rearrange the furniture in the bathroom

- ✓ write to your grandmother

- ✓ calculate pi to 42 decimal places

- ✓ figure out what grade you will have to get on each exam to come up with an A, B, C, etc. in the class

- ✓ hug the floor

- ✓ buy new clothes

- ✓ clean out all your old folders

- ✓ repot all your plants

- ✓ go to the MSC and watch other people try to avoid studying

## THINGS TO COUNT

- ✓ the holes in your stereo speaker grill
- ✓ find the average number of M&M's in a bag
- ✓ how many times the local AM station plays the same commercial in

one evening

- ✓ the thumbtacks on your bulletin board

## PERSONAL HYGIENE

- ✓ slough the dead skin off your feet with a pumice stone
- ✓ floss
- ✓ deep-condition your hair
- ✓ split your split ends
- ✓ cut your toenails and remove the cracked dry polish with your fingernails
- ✓ scratch your head on the wall
- ✓ shave the cat

## THINGS TO PLAN

- ✓ a trip to North Zulch
- ✓ a trip to New York
- ✓ your wedding
- ✓ what you would do with a million dollars
- ✓ what to do with your life if you graduate
- ✓ how to explain your grades to mom and dad
