Students depend on us as a resource. We are more than a bookstore. We are a clothing store, an art store, a laundry, a shoe shop. We're all these — more — a convenient mini-shopping center that meets all your needs.

Our profits, over and above the need for a student body for providing personal financial aid.

Come to us for your every need. You'll be amazed at the assortment of merchandise available. Use of our self-service areas, and friendly and efficient sales personnel when you want them.

Here's looking forward to serving the finest group of customers in America.
