OFFICIAL NOTICE

OFFICIAL NOTICE TO STUDENT CONCERNING TEXAS A&M UNIVERSITY STUDENT RECORDS POLICY

Annually, Texas A&M University informs students of the Family Educational Rights and Privacy Act of 1974. This Act, with which the University intends to comply fully, is intended to protect the privacy of education records, to establish the rights of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearing. Students also have the right to file complaints with the Family Educational Rights and Privacy Act Office, the Department of Education in Washington, D.C. concerning alleged failures by the University to comply with the Act.

Local policy explains in detail the procedures to be used by the University for compliance with the provisions of the Act. Copies of the policy can be obtained at the Office of the Registrar, located in Health Hall on the Texas A&M University campus.

Questions concerning the Family Educational Rights and Privacy Act may be referred to the Office of the Registrar.

DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act of 1974 permits a university to establish certain categories of information regarding students as "directory information," and to then disclose this information to third parties without the student's prior consent. However, prior to releasing directory information concerning a student, the University must have afforded the student the opportunity to indicate that he does not want directory information concerning himself released without his prior written permission.

Texas A&M University proposes to designate the following personally identifiable information contained in a student's education records as "directory information."

1. The student's name
2. The local address, home address including country, and the telephone numbers of the student
3. The date and place of birth of the student
4. The names and address of the student's parents
5. The student's major field of study
6. The student's class schedule
7. Participation in officially recognized activities and sports by the student
8. Weight and height of members of athletic teams
9. Dates of attendance, degrees and awards received
10. Previous educational agencies or institutions attended by the student
11. Sex, nationality, race and age of the student
12. The student's photograph
13. Achievement awards or honors
14. The student's class standing
15. Parking permit information

The University will release "directory information" to third parties unless the University receives written objection to such release in accordance with the procedure herein described.

Students who wish to have "directory information" withheld must complete the appropriate form in the Registrar's Office by Friday, September 18, 1981. Students who have requested information withheld in the past must renew their request each year within the first three weeks of the fall semester.

The student must realize that approximately one month is needed to remove this information from materials already in circulation. However, the campus directory is printed only once a year, and, after printing, no information can be removed.

The student is responsible for renewing this request each September, and the validity of the request extends from the date of the request to the following September 1st.
