USC takes over number one spot, Notre Dame drops to 11

United Press International
NEW YORK — At least Southern California has a chance to protect its No. 1 rating in friendly surroundings.

Southern California moved into the top spot in the country today following balloting by UPI's Board of Coaches, with 28 first-place votes for 584 points.

Oklahoma inched up to the No. 2 with 10 first-place votes and 526 points in voting by 40 of the 42 coaches on the UPI Board.

Unlike Michigan and Notre

Dame, who were rated No. 1 and who both lost the following Saturday in road games, the Trojans host the No. 2 Sooners on Saturday.

Notre Dame, which acquired the No. 1 spot last week after Michigan was upset, 21-14, by Wisconsin, was the latest team to be knocked from its perch, tumbling to No. 11 after absorbing a 25-7 loss to Michigan. The Wolverines moved up six spots to No. 6 on the strength of a 25-7 triumph over Notre Dame last week.

Penn State advanced to No. 3 followed by No. 4 Texas and No. 5 Pittsburgh, which both moved up two places from last week.

Rounding out the Top 10 are No. 6 Michigan, No. 7 UCLA, No. 8 Ohio State, No. 9 North Carolina and No. 10 Alabama.

Penn State, idle last week, travels to Lincoln, Neb., Saturday to meet No. 12 Nebraska, which jumped seven places following a 34-14 triumph over Florida State.

Arkansas and West Virginia were tied for the No. 20 position.

Women ruggers win season opener, 8-0

The Texas A&M University women's rugby team opened its 1981-82 season with an 8-0 win over the Houston Boars Saturday in Houston.

The first score came in loose play when a maul was formed. Jenny Graham and June Van Dyke maneuvered the ball out where Cindy Allen went around the weak side for the score. Lisa Scarborough missed the conversion attempt so the score remained 4-0.

The Aggies roared back a few minutes later when Van Dyke scored on a scrum-down.

Rangers win again

United Press International
ARLINGTON — Texas Rangers pitcher Danny Darwin turned in one of his better performances of the season against the Seattle Mariners, and he wishes a few more folks had been around to see it.

Pushing the fourth-place Rangers to within three games of first in the American League West, Darwin set the Mariners down on three hits as Texas claimed a 4-1 win Monday night.

A crowd of 5,000 people, one of the smallest of the year, was on hand to witness Darwin's masterful performance.

But most of the Rangers understood the reason for the empty

seats — the Dallas Cowboys were playing the New England Patriots on national television.

"Texas will have to have a consistent winner before the fans really come out," observed Darwin, who upped his record to 9-5 while striking out seven and walking three.

Thoughts of another team also dwelled in the Rangers' dressing room — league leading Kansas City.

"Our record is better than Kansas City's overall, which shows that the split season is a bunch of bull," Darwin said. "But anything can happen and we're pulling for Minnesota because we play them again."

Teammate Al Oliver had similar

sentiments, saying he believed the Rangers "can win this thing."

"Of course," he added, "Kansas City must lose. We want to bring it close so they have to play the extra games. The small crowd tonight shows the Cowboys are the top priority with the fans."

Darwin allowed singles to Bruce Bochte in the fourth inning and Tom Paciorek in the ninth and was touched by Julio Cruz for a leadoff triple in the sixth. Cruz scored on Dan Meyer's infield out.

"Darwin's form has been erratic, but tonight he looked real good," said catcher Jim Sundberg.

"With this small of a crowd I felt like a no-hitter had to be thrown. But what do you expect? We're in a pennant race and the Cowboys are in their season."

"I've got a feeling that good things are in store. Kansas City has an advantage because they've been there before, but we have older guys who should be able to handle the pressure."

Texas led 3-0 in the fourth when Bump Wills and Mickey Rivers got back-to-back singles off loser Tim Stoddard. Buddy Bell drove in Wills and when center fielder Joe Simpson threw wildly to third, Rivers scored. Pat Putnam then doubled off the left-field wall to score Bell.

Texas scored its final run in the eighth when Wills singled, was sacrificed to second by Rivers and scored on Oliver's RBI single.

Cross country teams finish third and fifth

By RICK STOLLE

In the Seventh Annual Texas A&M Invitational Crosscountry Meet, the Aggies finished third and fifth in both the women's and men's competition.

The women were led by Marilee Matheny who finished eighth with a time of 18:14 in 5,000 meters. The Aggie women scored 81 points for third behind the University of Texas with 18 and the University of Texas-El Paso with 73.

In crosscountry, scoring is based on one point for first, two for second and so on. The winner will have the most finishers closest to first.

Barbara Collingsworth finished 14th, Adelaide Bratten 16th, Lisa McCortin 18th, Kim Cloud 19th and Suzanne Sheffield 27th. Coach Bill Nix said the team was disappointed with the showing but it was fairly good for the first meet of the year.

"The women had no major problems," he said, "and the minor ones can be worked on so they won't happen again."

The main problem was concentration and intensity, he said. It is something the team will have to work on.

"Our mental attitude needs to be more intense, but otherwise, we are in good shape," the coach said.

Matheny was in third or fourth place, he said, when she "ran out of gas" and was passed up by the other runners.

"Marilee is very upset at herself over that but the incline just got her," Nix said.

Junior Ray Muenich led the men's team to a fifth place finish with a time of 31:15 for 10,000 meters.

Texas won the men's division also with 46 points. Baylor was second with 47, Houston third with 55, Rice fourth with 77 and the Aggies finished with 110 points.

The men will be competing in the Baylor Invitational Friday and the women will be traveling to Houston to run in the Rice Invitational.

It is based on the book *The Genesis Flood* by Dr. Henry Morris and Dr. John Whitcomb. This documentary film answers such questions as: "Was the ark really big enough to hold all of those animals? What evidence is there that the flood really happened? Where did all of the water come from?"

The film will be shown at the ABS Student Center at 304 Highland, one block off of Jersey in College Station.
