Men's golf team places fifth at LSU

Gary Krueger fired a 69 Friday in the Louisiana State University National Invitational Golf Tournament, clinching fifth place individually for the second week in a row and pacing a final round that lifted the Aggies to eighth place.

After Thursday's round, Texas A&M trailed 14 schools in the 15-school field, the strongest the Aggies have faced all season, Coach Bob Ellis said.

But Krueger's 69, coupled with a 70 from Danny Briggs and a pair of 68's from Bart Cobb and Paul Oglesby, moved the Aggies up seven places to finish ahead of the University of Texas and Brigham Young University, last year's national champions.

UCLA won the competition with a 33-under-par 831, followed by the University of Oklahoma at 835. The Aggies shot an 860.

Krueger also finished second in last week's Morton Braswell Classic in Shreveport, La., with a 70-79-74-223, just three strokes behind the winner of the tournament.

The Aggies next tournament, after a couple of weeks of rest, is the Pan American Fall Intercollegiate in McAllen Oct. 29-31.

Volleyball team finishes second in Austin tourney

By GAYE DENLEY

Battalion Staff
The Texas A&M women's volleyball team protected its spot in the national rankings this weekend with a second place finish in the University of Texas Tournament in Austin.

Rated 20th before the match, the Aggies took 12 straight games as they blanked the Universities of Kansas, Minnesota, Central Florida and Oklahoma in round robin play.

The Longhorns, rated 13th in the nation, finally ended the Aggies' streak with a 15-11, 15-12, 9-15, 15-8 victory that iced first place for the hosts.

"To lose to Texas was a little hard on us," Coach Terry Condon said. "It was not one of our better tournaments. But it was nice to win so that we could see that we could play badly and still win."

Sue Wetzel and Wendy Wilson

earned all-tournament honors, Wilson for the second weekend in a row.

The Aggies' finish should move them up in the rankings, Condon said, since Texas is ranked 13th and the tournament's field was fairly strong. She said she was par-

ticularly pleased with the Aggies' victory over Minnesota in straight games. "They were very good," she said.

The Aggies leave Wednesday for Champaign, Ill., for the University of Illinois Tournament.

CoRec Craziness — Aggie Olympics

The first annual Intramural-Recreational Sports Aggie Olympics will be held at 5:00 p.m. on November 8 in Room 303 East Kyle. Activities will include:

- Darts
- Cranny Free Throws
- Indoor Horseshoes
- Rocket Darts
- Shuffleboard
- Ring Toss
- Balloon Darts
- Wheelchair Obstacle Course

Two-person CoRec teams will compete in each event, but teams will change, so that individuals have new partners for every event. Teams will be awarded points according to the event, and the male and female with the highest total points accumulated will be declared the individual winners.

After individual points have been tallied, team point totals will be calculated. The original team with the most combined points will win the team award. Both individual winners and first place team members will win T-shirts.

Participants can register in advance in the IM Office, 159 East Kyle from Monday, October 19 through Tuesday, October 27. An entry fee of one dollar per person will be charged at registration.

This year there will be no Cross Country Meet. Instead, the IM Department is sponsoring a 5-Kilometer (3.1 miles) FUN RUN. Last year, Dan Kirby ran 3.1 miles in 15:04, and Gail Zieschany broke the Women's record for that distance with a 17:40 time.

Some of the Men's swimming records have been held since 1978. The men's 50-yard backstroke record is 27.06, 50-yard freestyle record is 22.62, and the 200-yard freestyle relay record is 1:32.50. If you can beat it, sign up for the IM Swim Meet by tomorrow.

And...

FOOTBALL PLAYOFF SCHEDULES for classes A and B will be posted on Thursday, October 15 and playoffs begin Sunday, October 18.

WHEN IT RAINS, do not call the Intramural Office about rained-out games before 4:00 p.m. (3:00 for soccer). You will be told to call back after 4:00.

INFORMATION such as dates and times is easily misunderstood, so it is Intramural policy NOT to give out schedules over the phone. Team captains and individuals must go to East Kyle to check their schedules.

Brent Webb and some friends practice for the upcoming Flickerball season. Entries open today.

Flickerball?

hile in the middle.

The object of the game is for the 7-member team to advance the ball by passing to a position from which a goal shot may be attempted. A goal is scored when the ball is thrown through the goal (3 points) or strikes the backboard (1 point).

Flickerball has features that football and basketball by themselves do not. Since an attempt-

ed goal results in loss of possession of the ball, an offensive team is forced to eliminate wild or haphazard shooting and work for better scoring opportunities. Other rules make the game interesting for all players.

If you're looking for something different (but not too different), then sign up today through Tuesday October 20 in Room 159 East Kyle.

Handball, a popular past-time for TAMU students and faculty, swings into action with the IM Handball Singles Tournament this week.
