Rain, rain go away!

Michelle Kavanaugh, a sophomore engineering technology major from Dickinson, gets caught with her hood off in one of the many rainstorms Tuesday afternoon. Walking from class, she gave up trying to keep both her clothes and hair dry.

Quirks in the news

Learning that the burglary was in progress on Pine Drive, the police dispatcher sent out eight cars to eight different locations.

There are eight Pine drives in Anne Arundel County, and Edward Brown, communications officer for county police, didn't know on which Pine Drive the burglarized residence was.

There are also dozens of Washington, Arundel and Beach streets. Last week, fire dispatcher Russell O. Sears sent trucks to two different Magnolia avenues.

Thirty roadways in the sprawling suburban county are called Oak. The names Cedar, Holly, Riverview, Beach, Chesapeake, Park and Maryland are shared by more than a dozen streets.
