Well, the first thing people notice when they order their very first Schlotzsky* sandwich is its size. Ham, salami, spiced luncheon meat, cheddar, mozzarella and parmesan cheeses, lettuce, onions, tomatoes, black olives, and our own special seasonings — all piled high on a lightly-browned Schlotzsky bun, baked fresh daily.

And well, that leads us to the very next thing. Our sandwich is round. That's not so unusual, except ... when was the last time you picked up an entire balanced meal in two hands? Now, that's no small thing!
