The former Army chief of staff, a member of the sponsoring committee of the Vietnam Veterans Memorial Fund, said nearly \$5 million has been raised.

At least two of the project's early supporters are now opposed to the design.

Fund President Jan C. Scruggs said the V-shaped memorial will be built into the ground in the mall between the Lincoln Memorial and the Washington Monument. The memorial will extend 246 feet on each side and have the 57,709 names of those who died in the war inscribed in its polished black granite walls, he said.

**Officer diverts recruits**

United Press International  
HOUSTON — The president of a police union has been urging potential recruits not to join the Houston Police Department because of severe moral and financial problems.

"If anybody calls us about joining, we recommend they join the Houston Fire Department," said Bob Thomas, president of the Houston Police Patrolman's Union. "It's equal pay and no one is suing you or shooting at you."

Thomas said Tuesday his statements were not the official union policy, "but more of an informal stance taken by a consensus of the board."

Police department officials said the union's advice has not affected the recruiting efforts. Sixty-five people filled out applications Tuesday. Acting Police Chief John Bales would not comment.
