CO-OP OPPORTUNITY IN CANCER RESEARCH

On Tuesday, March 2, and Wednesday, March 3, 1982, representatives from the Stehlin Foundation for Cancer Research (associated with St. Joseph's Hospital in Houston) will interview students interested in the Cooperative Education Program. They will choose (3) three students to start co-op this fall. A minimum GPA of 2.7 is required.

The Stehlin Foundation wants to interview pre-med, pre-vet, and pre-dental students as well as ANSC, Biomedical Science, Biology, Biochemistry, Bioengineering, Microbiology and Zoology majors. The pay is \$850.00 per month for the first work term, and the positions are in Houston.

You must call the Co-op office at 845-7725 or come by Room 107, Harrington Tower for an orientation to co-op and complete your application prior to your interview with the Stehlin Foundation.

NOTE: In the past, the Stehlin Foundation for Cancer Research has employed summer students from other universities and co-op students from Texas A&M University. All students who worked for them and desired to go on to medical school have been accepted to medical school.

TOWN HALL

presents:

The Oak Ridge Boys

FRIDAY, FEBRUARY 26

SOLD OUT at the White Coliseum
Concert begins at 7:00 p.m. (no backup band)

Tickets: \$9.50, \$9.00, \$7.50 available at MSC Box Office
