HAWAIIAN DAYS

It's Easy to Create the Hawaiian Mood!

The foods you serve at your luau are bound to be a success in themselves. You can heighten the island feeling with a few "native" touches. Instead of using a table, simply roll out straw matting on the floor — or use a colorful tablecloth. Decorate this "beach" with ferns, flowers, and tropical fruits. Keep some Hawaiian music playing in the background. You're on the beach at Waikiki — your luau is under way!
