

# Portraits with Reveille to be taken next week

by Lori Weldon  
Battalion Reporter  
Students who smile and say "Alpo" can have their picture taken next week with Reveille. The pictures will be taken Monday through Wednesday from 10 a.m. to noon in 350A Memorial Student Center. The prints will be distributed from a table in the MSC April 21, 22 and 23. Prices are \$5 for a 5x7 printed from a single shot or \$6 for a 5x7 picture printed from a choice of three proofs, said Sabrina Seward, vice president of the Traditions Council. Students who select the \$6 package may choose from the three proofs in the MSC April 5 and 6. The Traditions Council and Company E-2, which keeps Reveille, hope to raise up to \$1,600 from the pictures and from sales of 8x10 pictures of Reveille. The money

will be used to help pay Reveille's way. Total expenses for Reveille are approximately \$2,000 a year. Only about \$400 a year is provided from the Bookstore Fund. Expenses for Reveille include about \$1,200 a semester for transportation, \$30 a month for food, and minor expenses for occasional veterinary and coat-cleaning costs. Last semester, Reveille travelled with Mascot Cpl. Drew Laningham to the University of California at Berkeley and to Boston, with each of the trips costing \$500. Reveille goes to all home football and basketball games and any away games in which she is allowed. Some basketball arenas do not allow dogs. In the past, Reveille's expenses were met by donations

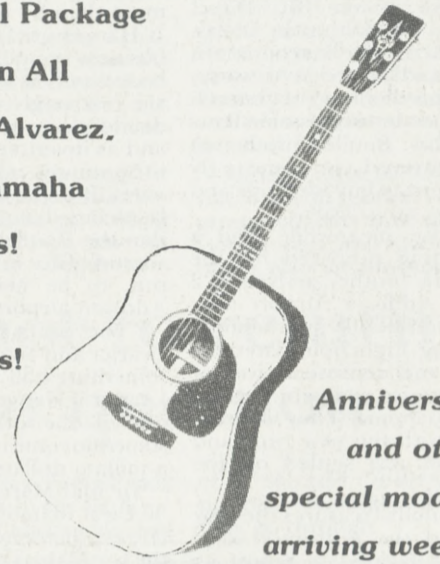

# Decision on removal of pavillion delayed

by Steven B. Larkin  
The College Station City Council Thursday delayed approval of \$2,000 to remove a condemned pavillion in Oaks Park. The council delayed action so further study could be conducted into alternatives on what to do with the pavillion. The pavillion became a public hazard when one of the structure's main supporting poles broke several weeks ago. Closer inspection by park personnel revealed that the majority of the wooden structure's supporting beams had been eaten away by termites. The pavillion was built in 1979 at an estimated cost of \$13,000. Examination of the structure's construction specifications showed that no provisions had been made to have the wood chemically treated against wood-eating insects. In other action, the council approved \$47,250 for the purchase of a lot behind the city hall complex. After the city hall is enlarged, the newly acquired land will be used for parking space. The council also approved two applications asking for \$11,411 from state funds to supplement the city's police department's crime prevention programs.

Two rezoning request were approved by the council. A lot in the West Park Addition was rezoned from a single family residential district to a two-family residential district.

# Registration to begin Saturday for seven recreational classes

by Susan Talbot  
Battalion Reporter  
Registration for seven classes ranging from Frisbee-tossing to basic auto repair and maintenance will be held by the Bryan Parks and Recreation Department through Saturday. Other classes include basic bicycle repair and maintenance, basic motorcycle maintenance,

basic horse care and selection, macrame and how to relax and enjoy life. Class registration will be held at the Bryan Parks and Recreation Department, said Cindy Arnold, coordinator for instructional programs. Classes will be held nights or on the weekends. Class fees range from \$8 to \$15.

Six weeks is the average length of each class. Arnold is looking for instructors for courses in tap-dancing, leather crafts and outdoor sports. Texas A&M students who wish to teach are welcome. The Bryan Parks and Recreation Department is taking suggestions for additional programs.

Information on classes to be offered this summer will be available in early June.

# Hospitality Committee planning Easter party for kids Wednesday

by Beverly Hamilton  
Battalion Reporter  
Although it might be too early for the Easter Bunny to make an appearance, local children will celebrate Easter at a party to be hosted by the MSC Hospitality Committee on Wednesday. Children from the community are invited to attend the party, said Rhonda Schroeder, special projects sub-chairman for the MSC Hospitality Committee.

The party will begin at 7 p.m. in 228 MSC. The party is one of many seasonal parties sponsored by the committee each year, Schroeder said. "It's our big party for the semester and is always a lot of fun," she said. "The kids always look forward to it." The committee plans to have an Easter egg hunt, a pinata, arts

and crafts activities and other fun and games, Schroeder said. The party is free and refreshments will be provided. About 150 children from ages 3 to 12 are expected to attend the party, she said. Parents are welcome to attend, but do not have to stay. Children who want to participate in the Easter egg hunt should bring a basket for their eggs, Schroeder said.

# Shroud of Turin research to be discussed Saturday

A summary of the research done by a team of scientists on the shroud of Turin will be presented by Dr. John Jackson Saturday night at 7:30 in St. Mary's catholic student center at 103 Nagle Street. Jackson, from Colorado

Springs, Colo. headed the scientists' examination and will discuss information found concerning the mysterious cloth believed by many to have been the shroud of Jesus Christ. A question-and-answer session will

follow the presentation. Jackson and his team of scientists used new scientific techniques in their study of the shroud, and they say many of the results uphold the authenticity of the garment.

COUPON

one potato, two potato... 25c off any entree with coupon. Good 'till April 30

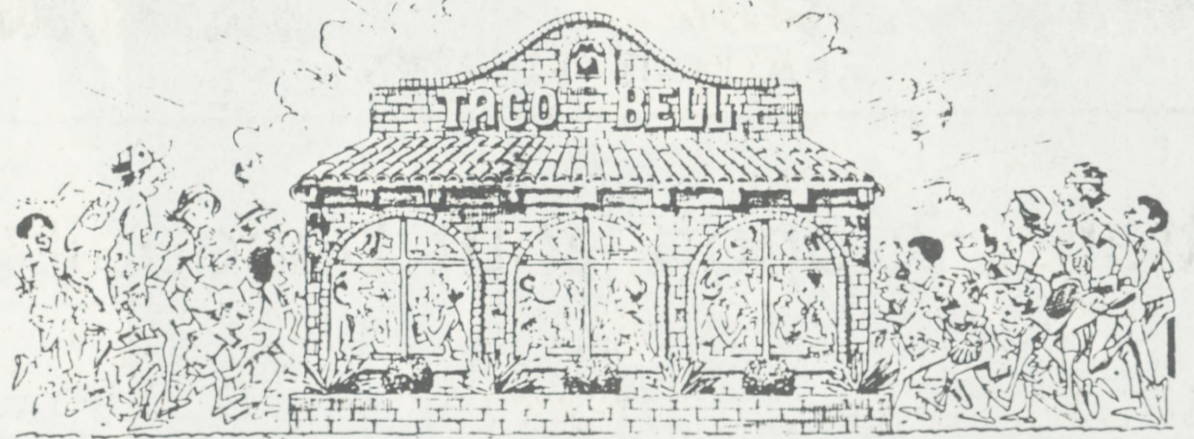

Eat Out In CLASS  
102 Church St. College Station 846-0720
