FACILITIES ENGINEERING SUMMER DEVELOPMENT PROGRAM AT TEXAS INSTRUMENTS

Texas Instruments announces openings in the corporate facilities group for summer work.

The facilities group designs and installs building modifications and utility systems which support manufacturing operations at our sites.

The program is designed to give selected students a general knowledge of TI operations and related experience in individual's field of study. Selection is on a highly selective and competitive basis. Students should have completed their sophomore year with a major in M.E., I.E. or E.E. and be in the upper 25% of their class.

If you have a hometown in any of the following locations and meet the above requirements, please send your resume, transcript and class standing.
