A&M second in TAIAW track

by Frank L. Christlieb
Sports Editor
Before his squad competed in the Texas Association for Inter-

collegiate Athletics for Women state track and field meet, Aggie coach Bill Nix came close to predicting the exact order of the finish.

"I figured Texas would win and we'd be in second and North Texas State would be third," Nix said.

And he was right. Nix's team scored more points in the track portion of the event, but the Longhorns' field competitors simply had too much strength. In the final point tally, Texas had 189 points, Texas A&M had 150 and the Mavericks had 106.

"We knew we couldn't beat Texas, but we wanted to place better in the running events," Nix said. "If you break the score down, we really did outrun Texas.

"I was real pleased with the whole meet, with what our athletes did and (with) the orga-

nization of the meet."

The Aggies, without an entry in the heptathlon, watched the Longhorns' Denise Armstrong win that event during competition Thursday and Friday. However, in Friday's discus portion of the meet, Texas A&M's Vickiee Cobern qualified for the AIAW national meet by winning with a throw of 155-3/4. That meet will be held here May 27-29.

The Aggies took three first places in Saturday's final events. Freshman Chandai Phillips won the 100-meter hurdles with a time of 14.53. Ellen Smith won the 400-meter hurdles with 1:00.17 and Novaita Samuels won the 200-meter dash with a time of 24.16.

In addition, Texas A&M placed second in eight events during the meet. Marilee Matheny's time of 35:07.31 in the 10,000-meter run finished

second, while her 17:01.12 second in the 5,000-meter run; Samuels in the 100-meter dash; Barbara Collinsworth the 3,000-meter run; the 3-meter relay team (Jana G. Sheryl Clark, Kay Kolbo, field); the 400-meter relay (Samuels, Sandra Co. Evelyn Smith, Ellen Smith, 1,600-meter relay team (er, Ellen Smith, Evelyn Graves).

In the Division II competition, the Rice Owls placed second with 185 points. Abilene Christian finished second with 155 1/2 points. The State was third at 102 and Stephen F. Austin fourth at 63 1/2 points.

The Aggies will participate in the Southwest Conference this weekend in Austin.

At General Telephone We're Not Simply Talking About Service Improvements We're Making Them In The Bryan Division

At General Telephone, better service isn't just a goal, it's a solid commitment. General Telephone spent over 354 million dollars in 1981 on capital expenditure projects (i.e. new electronic switches, expanded cable projects and modernization), and GTE will spend over 410 million dollars in 1982 to provide you the best telecommunications available.

For you, as a valued customer, this investment in service improvement is working as shown below. General Telephone is working hard to continually provide you with the best of service.

The Texas Public Utility Commission (PUC) has established certain standards in public hearings, and our service results are listed against those standards.
