East Kyle Challenge Courts

The Intramural-Recreational Sports Department will be trying a new concept in racquetbal-l/handball. Beginning May 31, 1982, there will be two designated challenge courts in East Kyle when academic or intramural priorities do not pre-empt the area. This system is designed to give individuals a chance to improve their game against other players. Under this system, the courts with the winning person(s) are challenged by the waiting person(s) when a single game

is completed. The following policies shall apply:

1. A sign-up form will be maintained near the court designed as challenge courts during specific times (East Kyle courts #8 and #9).

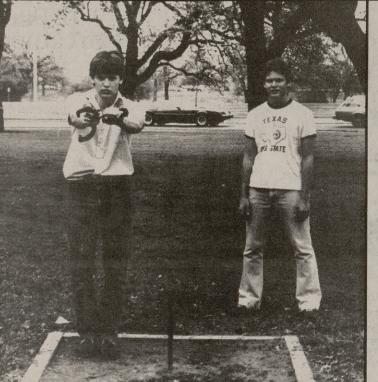

2. The first people will play one game to 21 points. 3. The winner(s) stays on

the court and the loser(s) go to the bottom of the list and play again.

4. No person shall stay on the court for more than 3

consecutive games. 5. A minimum of two players are required.

The designated times for these two courts will be Monday through Friday 5 p.m. to 9 p.m. and Saturday and Sunday 1 p.m. to 8 p.m. So, the next time you forget to call in your reservation at 8:00 a.m., don't hang up your racquet or gloves. Try the challenge court and improve your game while meeting new people.

Womens' Lacrosse Wins

The TAMU Women's Lacrosse team traveled to Dallas last Saturday, April 25, and came home victorious. They defeated Hockaday High School 12 to 1.

While lacrosse is an exciting sport, few women in this area have learned to play. As a result, the TAMU club is one of two women's teams in the state. Club president, Kathy Opel reported optimistically that there may be at least one other team next year - a team from San Antonio. T.U. used to have a team, but it folded; so the TAMU club, started in 1976, has had little competition.

Naturally, the current members are more than willing to teach newcomers how to play and welcome any interested women, with or without experience, at their practices. So, if you like to try new activities and want to learn about lacrosse. stop by the Intramural Office for more information. The women start practicing again next fall. Come out and try it

All-University volleyball triples finals are tonight at 7 p.m. in East Kyle.
