Seniors receive top awards

The Texas A&M Student Aggie Club honored all senior scholarship athletes Tuesday night at a banquet held at Briarcrest Country Club in Bryan.

While Harry Green, executive director of the Aggie Club, served as master of ceremonies, Athletic Director Jackie Sherrill and Assistant Athletic Director for Women Kay Don introduced the senior athletes. Three athletes won top honors as outstanding seniors.

Tracy Johnston, a member of the Texas A&M women's swim team, was named the outstanding female athlete. Wide receiver

Mike Whitwell of the Aggie football team and Rick Thomas of the track team were co-winners of the outstanding male athlete award.

Johnston holds numerous Texas A&M swimming records and Whitwell led the Aggies in receiving during the 1981 season. Thomas, running the 400- and 110-meter hurdles, has had several strong performances during the track season.

Whitwell, who finished his career with a school record 1,372 yards in pass receptions, set a Southwest Conference record by averaging 27.1 yards per

catch during the 1981 season. The senior from Cotulla had 27 catches for 731 yards during the Aggies' 7-5 season.

Fouts commended for resisting union

United Press International
WASHINGTON — The National Right to Work Committee named quarterback Dan Fouts of the San Diego Chargers as winner of the Sen. Everett M. Dirksen Award, its top annual award, for his stance against paying dues to a football players'

union. Fouts gained national attention in the labor field last fall when the NFL Players Association threatened to keep him from playing in the NFL playoffs until he paid back dues to the union.

GTE

DISCONNECTING TELEPHONE SERVICE?

Off campus students who are disconnecting service after the semester may turn in their telephones to either of the GTE Phone Marts. The new Bryan Phone Mart is located at 1673 Briarcrest in the Ardan Shopping Center. The College Station Phone Mart is located at Hwy. 30 and South Texas Ave. in Culpepper Plaza. The telephones can be returned Monday through Friday, 8:00 a.m. to 6:00 p.m. All telephone instruments not returned will be billed for.

On campus students' long distance service will be automatically disconnected May 14, 1982. Final bills will be sent to the account manager's home address, unless previous arrangements have been made.

While you are at the Phone Mart, please pick up a pre-application package for telephone service for the fall of '82. This will accelerate the process of obtaining service and reduce the time in processing your order in August.

If there are any questions, please call our Business Office at 775-4000.
