JOHN MORRELL DIDN'T BECOME A TRAINEE AFTER COLLEGE. HE BECAME A MANAGER.

"As Executive Officer of the Army's Defense Language Institute at Monterey, California, I'm responsible for the housing, feeding and well-being of 500 students. And that's no small task. I manage an annual food budget of over a million and a half dollars. And I'm accountable for five million dollars worth of property.

"On top of managing money, I also supervise a staff of 24 people. And each one has unique problems that I have to handle on a daily basis. You better believe the leadership and management training I received in Army ROTC is paying off."

There are other good reasons for taking ROTC, too. Like scholarship opportunities. And financial assistance — up to \$1,000 a year for your last two years of ROTC.
