Plitt Cinema I&II
846-6714

Star trek II: The Wrath of Khan: The second in the Star Trek movie series, supposedly better than the first, with a more action-packed plot. For Trekkies, consider this a sequel to one of the TV episodes — "Space Seed." PG.

Night Shift: Henry Winkler stars in this comedy about a man who works the graveyard shift in a morgue. He and a partner decide to add some spice to their lives by starting a pimp business and operating out of the morgue. R.

The Stuntman: A fugitive from the law who stumbles upon a movie set goes to work as a stuntman in exchange for refuge. Peter O'Toole, Steve Railsback and Barbra Hershey star. Midnight. Friday and Saturday. R.

magic — plus a curly-haired little girl, a sandy dog and a billionaire. What a combination. PG.

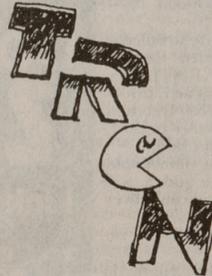

Schulman Six
