

Andujar adds to Cards' hand as Phils fold, 8-0

United Press International
All things considered, Joaquin Andujar would rather pitch against Philadelphia. "Sometimes you have good luck against one club and you have no luck against others," Andujar said Wednesday night after pitching the St. Louis Cardinals to an 8-0 victory over the Phillies. "That's baseball. Sometimes you can't figure out the game."

The decision gave the Cards the rubber game of a three-game series and upped their lead in the NL East to 1½ games over Philadelphia. "We still have a long way to go," Andujar said. "Philadelphia is a good club, but we have to beat everybody."
George Hendrick drove in four runs with a single and two sacrifice flies and Andujar scattered three hits to raise his mark this year over Philadelphia to 3-0. Hendrick's two-run single sparked a five-run third inning off John Denny, 0-1, making his Phillies' debut. Hendrick hit sacrifice flies to account for single runs in the fifth and seventh. Andujar, 13-10, who struck out four and walked one, retired the first 12 batters he faced and didn't allow a hit until Manny Trillo's single with two out in the fifth. Elsewhere, Chicago downed Pittsburgh,

7-2, Houston defeated Atlanta, 5-4. Montreal topped New York, 6-5, in 11 innings. Los Angeles blanked San Diego, 5-0, and San Francisco shaded Cincinnati, 5-4.
In the American League, it was: Baltimore 8, New York 5; Milwaukee 5, Detroit 3; Cleveland 7, Boston 4; Chicago 8, California 3; Minnesota 10, Texas 2; Kansas City 5, Seattle 4, in 11 innings, and Toronto swept Oakland, 3-2 and 12-11.
CUBS 7, PIRATES 2 — At Pittsburgh, Jody Davis smashed a three-run homer and Keith Moreland and Leon Durham added solo shots to lead the Cubs.
EXPOS 6, METS 5 — At Montreal, Andre Dawson clouted his 20th home run of the season in the 11th to give the Expos their fifth straight victory.
DODGERS 5, PADRES 0 — At Los Angeles, Burt Hooton hurled a three-hitter and Pedro Guerrero hit a two-run homer in the third, moving the Dodgers 2½ games ahead of Atlanta in the NL West.
GIANTS 5, REDS 4 — At San Francisco, Chili Davis hit a two-run, pinch homer in the eighth to lift the Giants. Reliever Rich Gale, who worked two scoreless innings raised his record to 6-14.
In the AL, Cal Ripken and Eddie Murray teamed up as doubles partners Wednesday

night to aid and abet the Baltimore Orioles winning streak.
BREWERS 5, TIGERS 3 — At Detroit, Roy Howell drove in three runs with a double and a single and Pete Vuckovich won his 17th game of the season to lead the Brewers.
INDIANS 7, RED SOX 4 — At Boston, Andre Thornton knocked in three runs with a homer and a single to pace the Indians.
WHITE SOX 8, ANGELS 3 — At Chicago, Carlton Fisk hit a two-run triple in the first and Vance Law added a two-run triple in a five-run fourth to help the White Sox and Jerry Koonsman, 9-6.
TWINS 10, RANGERS 2 — At Minneapolis, Lenny Faedo drove in three runs with a double and a single and Gary Gaetti added four hits and two RBI to lead the Twins' 15-hit attack.
BLUE JAYS 3-12, A'S 2-11 — At Toronto, Dave Baker's one-out single scored Garth Iorg from second in the bottom of the ninth to lift the Blue Jays in the second game. In the opener, Luis Leal and Dale Murray combined on a six-hitter and the Blue Jays scored three unearned runs.

Phillips signs Fritsch as Saint place kicker

United Press International
NEW ORLEANS — The New Orleans Saints have signed Toni Fritsch, a 12-year NFL veteran place-kicker, to replace rookie Morten Anderson, who was placed on injured reserve.
Fritsch, 37, enters the season with 738 career points and needs just 19 to be listed among the league's top 20 scorers. Saints spokesman Rusty Kasmiersky says Fritsch will see action during Sunday's bout with the Chicago Bears.
During a workout with the Saints Tuesday, Fritsch hit 23 of 24 field goals. He missed the first when lightning flashed and thunder clapped overhead.
"Bum called me not for a try-

out, because he knows what I can do," Fritsch said. "If he needs me, I be delighted to put a lot of points on the scoreboard for him. I put around 400 up for him in five years at Houston."
Salary was "75 percent of the reason" the veteran kicker was cut by the Oilers, Fritsch claimed, adding "they say it was my age, but that is bull."
Kasmiersky said Fritsch would be paid "his last year's salary or the minimum," but did not mention a dollar figure.
"We can't negotiate because we are at odds with the union," he said. "As a union, they have the right to negotiate for members of the union. They informed the league that as of

June 15 they would not want that right anymore."
Coach Bum Phillips was looking for a kicker Sunday after Andersen sprained his ankle on his first play as a kicker. Andersen was expected to be out for four to five weeks, but Phillips was placed on injured reserve Wednesday so the Saints could keep their roster at 49.
Kasmiersky said the Saints' jury situation at midweek Wednesday so the Saints could keep their roster at 49.

Cross country

Nix, Nelson say Aggies confident about 1982

by John P. Lopez
Battalion Staff
When the Texas A&M men's and women's cross country teams open the 1982 season today, both teams will field inexperienced, young and untested runners.
But coaches Bill Nix and Ted Nelson say the inexperience shouldn't make a difference. In fact, they can't wait for the meet to start.
"I think we're ready to see how they (the team) perform in a meet," women's coach Bill Nix said. "Being a young team, we're anxious to see how we react when there are other teams running with us."
Six of the runners on the women's team are freshmen.
"That shouldn't make a difference because most of our best runners are freshmen," he said. "Right now, Esther Dedrick is our number one runner. She's come in first in all of our time trials this year, so I expect good things from her."
Nix also said, however, that the team will not be without experienced runners. Marilee Matheny, the Aggies top

finisher in the NCAA championships last year and an All-America hopeful, will be back, as will Lisa McCorstin, a runner that has impressed Nix this fall.
"Lisa has really improved over the summer," he said. "She has finished second behind Dedrick in all of our time trials this year."
The entire team is much better than last year, Nix said. In fact, he predicts only good results from the women's team.
"Our ultimate goal is to win the Southwest Conference championship," he said. "And with this bunch I think we just might be able to do it."
Ted Nelson, on the other hand, doesn't predict a championship for the men's team, but he says the team is not without standout performers.
"We don't have any one runner that is outstanding," he said, "but we do have a team that has good, solid runners on it. Any one of four or five people could end up having an excellent year. Our number one runner right now is Jimmie Sterling, but Jim Stark, Jim Bolton or Aaron Ramirez could also do well. We

have a lot better team concept this year so our expectations are high."
Despite high expectations, Nelson says the Aggies are not quite on the level of other teams this year.
"Arkansas always has good runners and Rice and Baylor should also be good," he said,

"but we're a good solid team and we expect to be pretty high in the standings. I think the meet Thursday should be a good test for us even though we're not quite in the shape I'd like us to be in."
The meet will be held at the Texas A&M golf course and will start at 6 p.m. for the women and 7:30 p.m. for the men.

Take Charge At 22.

In most jobs, at 22 you're near the bottom of the ladder.
In the Navy, at 22 you can be a leader. After just 16 weeks of leadership training, you're an officer. You'll have the kind of job your education and training prepared you for, and the decision-making authority you need to make the most of it.
As a college graduate and officer candidate, your Navy training is geared to making you a leader. There is no boot camp. Instead, you receive professional training to help you build the technical and management skills you'll need as a Navy officer.
This training is designed to instill confidence by first-hand experience. You learn by doing. On your first sea tour, you're responsible for managing the work of up to 30 men and the

care of sophisticated equipment worth millions of dollars.
It's a bigger challenge and a lot more responsibility than most corporations give you at 22. The rewards are bigger, too. There's a comprehensive package of benefits, including special duty pay. The starting salary is \$16,400—more than most companies would pay you right out of college. After four years, with regular promotions and pay increases, your salary will have increased to as much as \$29,800.
As a Navy officer, you grow, through new challenges, new tests of your skills, and new opportunities to advance your education, including the possibility of attending graduate school while you're in the Navy.
Don't just take a job. Become a Navy officer, and take charge. Even at 22.
