New Homes

Copperfield

Now you can say you're home.

The magic of Copperfield. It begins in the trees. By the ponds. On the rolling hills. It's a breeze. A sunray. A raindrop. It's the land. And the dream. And the promise.

Copperfield. It's a new design for a Bryan-College Station real estate development. There are 550 acres of single family, multi-family and commercial lots. As you drive through the entrance, wide boulevards tell you that neighborhoods are carefully planned, each unique yet unified, reflecting the beauty of the land.

When you come to Copperfield, you're home.
