Aggies

(continued from page 15)

Hector and Jackson should be able to play against the Cougars. Marshall and Smith will start, but it's probable that both Jackson and Hector will see limited action during the game.

So the Aggies, short-handed in the running back department, may have to once again rely on the most accurate arm in the SWC. Through four games, Kubiak has passed for 1,002 yards and eight touchdowns.

"It's hard to I'd say what'll happen Saturday," Kubiak said. "I'd say if (Hector and Jackson) don't play, we may pass a lot more and if they do, then we might not have to pass as much."

"I feel they'll be in the game, but as for what happens when Wiggins has compiled 350 yards and has scored four touchdowns. hind 21-0.
