pennant, and we went to seven games in the World Series. We games in the World Series. We came within one game of win-could afford Martin's behavior ning it all. I guarantee you there will be another time. We'll be back.

"This has been my seventh World Series and every one of them has gone seven games," he said. "There's no feeling in the world like winning a World Series.'

But as in every other city where he has managed, Martin wore out his welcome with the A's and Eisenhardt, in announcing his firing, said "one must recognize the inevitability of change as a solution for difficult circumstances, even when no party may seek or want a change.

That was Eisenhardt's polite no matter how much he had done to improve the club.

At the bottom of Eisenhardt's decision to fire Martin was the latter's insistence on keeping old players past their prime because
