Wallyball is Here

For all you volleyball and racquetball enthusiasts, your sport has finally arrived. The sport that combines elements of racquetball with volleyball is the new "off-the-wall" sport, wallyball. Wallyball is played inside of a racquetball court with a wallyball (about the size of a volleyball only softer). The net is set at 8 ft. high and there are anywhere from 2-6 to a side. Many of the rules of volleyball apply with a few notable exceptions: You may play the ball off the walls, you may spike the ball off of the side walls into your opponents court, and the ball is considered out bounds if it hits the back wall or ceiling on a serve or volley. These modified volleyball rules make for a very exciting game of wallyball with volleys lasting much longer.

The Wallyball court will be set up in DeWare Fieldhouse, Racquetball courts #23 & 24 for specific periods of the evenings

and weekends.

A special CLINIC will be held Wednesday, Nov. 3, 1982 from 7 p.m.-9 p.m. All interested individuals are welcome to drop by and learn this new game. Every Monday and Wednesday for the rest of the semester, the two courts will be available for free play from 7p.m.-9 p.m. Bring your volleyball team or come by yourself and try this new sport. Be sure and watch this section of the newspaper for future volleyball events.

Each participant was allowed one attempt at each of the three activities in the preliminaries. The three distances were totaled for an individual's score. The top five scorers in both divisions were then allowed a second attempt to determine the winner.

Putt Putt Golf

The Intramural Putt-Putt Golf Contest was held on Thursday, October 14. Forty-three men and eight women were registered in the event. Each participant played a 36-hole contest.

It was a general consensus of all the participants that the 12th hole was the most difficult. This hole entailed hitting the ball up a ramp and over a water-filled ditch. A lot of patience was required to finish this hole.

In Men's Singles, Mark Houser won with a score of 74. Mark is a senior Petroleum Engineering major from Dallas. Mark also was a winner in the Men's Doubles Division. His partner was David Schmidt, a Mechanical Engineering major from Schulenburg. Their combined winning score was 151.

Fun Run This Sat.

On your mark... get set... go to the 3.1 mile (5 kilometer) Fun Run this Saturday. Entries will be taken Saturday morning at the parking lot directly north of the Penberthy Intramural Complex until 8:30 a.m. The run will begin at 9 a.m. The best part of this event is that it's FREE to all TAMU Students, Staff, Faculty and Spouses with a current student or recreation ID.

Instead of entering as an individual, perhaps you would be interested in entering as a team! Male and female teams are composed of five persons with the top three finishers scoring for the team. CoRec teams are made up of six persons (3 men and 3 women) with the top two men and two women finishers scoring for the team. Two divisions will be offered for the teams: YOUNGSTERS — combined ages of 90 or less, MASTERS — combined ages of 91 or more. (CoRec Teams will use 120 years as a cut-off.)

All-University Intramural Champion T-Shirts will be given to the individual winners (male and female) in each of the following age groups: 18-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50 and over.
