**U.S. CHOICE BEEF**  
We really can't be sure about all the beef sold around town, but we do know about ours, and you should too. All beef steaks and roasts you buy at Kroger are the choicest of the USDA Choice, inspected first by the government and then by Kroger, and the standards for quality don't stop here. Take the Kroger trim for instance. All our cuts are trimmed with only 1/8" of fat, that's just enough for good flavor. And they're Cost Cutter priced for value. Which is why we say, you can depend on Kroger for the best of everything, including the price.

Specials effective at Kroger Wed., Dec. 1 thru Tues., Dec. 7, 1982. Right to limit reserved. None sold to dealers. (Copyright) The Kroger Co. 1982.
