Earn 10.25% fixed through December 14.

And make withdrawals by check in any amount.

Now you can earn rates higher than money market funds with withdrawal privileges of a checking account.

We call it an Investor's MoneyStore account. Each night, the computer automatically transfers funds in excess of \$2500 to an Investor's Repurchase Agreement* to earn highest rates (currently 10.25%). The \$2500 in checking earns 5.25% (the maximum permitted by law) until you need it. If your checking balance falls below \$2500, the computer automatically transfers funds back from your Investor's balance to the checking account.

Keep a minimum of \$250 in your account and it's free — no service charges, no per check charges, no penalties.

It's easy to open an Investor's MoneyStore account. We'll help you complete the necessary documents in a matter of minutes. Visit any of our 18 offices in Central Texas for more information — or call us and we'll come to you.
