Farmers may earn more, report says

Add passion to your punch with Everclear 190 proof grain alcohol

DOES IT DAILY

through Friday

United Press International WASHINGTON — An Agrithat since farmers have promculture Department report pre-dicts farmers will be earning ised to leave 82 million acres of cropland unplanted, this year's harvest will be considerably smaller than last year's, and sup-plies will begin to shrink. As a result, the prices paid to farmers more for their crops next season, largely because of the anticipated success of new govern-ment efforts to reduce big crop are expected to rise.

In a special report released Wednesday on agricultural supply and demand estimates. The report did not predict how retail prices would react to department forecast that the crop reduction programs, which promise a combination of the 1983-84 market prices paid for farm crops in the cash and surplus crops to far- pected to rise to be 1983-84 marketing season will climb to the highest levels in mers in exchange for leaving land idle.
