Meteorology center: learn about weather

by Joel deGuzman

Battalion Reporter
The Meteorology Education
Center on the Texas A&M campus offers an opportunity to learn more about weather forecasting and analysis.

The center, located on the fifteenth floor of the O&M Building, features displays of actual weather instruments and models of atmospheric condi-

"The purpose of the center is to give the general public an opportunity to see the instruments that are used in studying

says David Link, a senior are representatives of those that meteorology student, who have been and currently are works as a part-time assistant at being used in climate data collecthe center.

The center is supported by the College of Geosciences and the Department of Meteorology and was opened to the general public last December.

Dr. James R. Scoggins, head of the meteorology department, initiated the idea of the center. He says construction of the ceneffort by faculty and students. The instruments displayed are

The center will be open Parents' Weekend from 8 a.m. to 5 p.m. April 15 and from 10 a.m. to 3 p.m. April 16 and 17. In addition, free tours will be conducted by the Department of Meteorology personnel. The tour will include the University weather station, the weather ter's displays was a departmental radar, the weather observatory and the Meteorology Education

Aggies in France plan Rudder memorial tour

Battalion Reporter
To the many tourists who take the time to visit the war monument in France to Col. James Earl Rudder, it's yet another

fought in World War II. But to a countries. group of 18 Aggies who will visit the monument this summer, it will be something memorable.

The 10-foot granite monument to Rudder looks out over the Atlantic Ocean from a cliff on the West Coast of France.

A plaque on the memorial reads, "To the heroic ranger command of the 116th infantry who under the command of Colonel James Earl Rudder of the First American Division attacked and took possession of the Pointe Du Hoo

The Department of Modern Languages at Texas A&M has organized a six-week trip to France this summer in which

students can study the French Now

memorial to someone who language and tour European

The group coordinator for the Texas A&M trip to France, Rene M. Schuessler-Laux, said the group will visit the memorial again this summer. She and several Texas A&M students visited

France last year.
Richard S. Martin, a junior political science major from Dallas, who went on the trip last year, described the monument as terribly understated. "It was in the middle of nowhere," he

The students leave for Europe June 23. The group will fly from Houston to Paris, where they will spend six days. From there they will tour Versailles, Chatres and the Normandy and Brittany coast where the Rudder monument is located. They eventually will arrive in La Rochell, where they will attend school.

French families will provide lodgings and expose students to the French language by convers-

ing with them.

After four weeks in La Rochell, the group will return to Paris and from there will tour the interior of France and the Mediterranean coast of Spain.

An employer can't hire you ... if he can't find you!

you if he can't find you! The most difficult part of the job search is contacting the thousands of employers that may be

1600 S. College

looking for you. Right now, you can reach the 3,000 largest employers in Texas who are hiring. 2,400 of them will not be recruiting on your campus, so you will have to find them! Now you can reach them directly by appearing in this Spring's COLLEGE - for only \$30.00! How else can you reach 3,000 companies for only a penny

What is the Guide? It is a book of resumes that employers use in hiring graduates and under-graduates seeking ermanent, part-time, and summer jobs The resumes are cross-indexed by school and major for maximum job

Who uses it? Over 3,000 of Texas' largest employers! They receive the Guide at no cost. There are no fees for them to pay, or any additional costs to

Because 2,400 of these companies won't be recruiting on-campus this year,

leg up. You'll need it, in this, the most competitive job market in history!

How does it work for me? After you fill out the Kenco resume form, it is prepared for publication, cross-indexed by school and major, then printed in this Spring's COLLEGE EDITION of the Guide and delivered to the 3,000 largest employers in Texas. Our resume form was designed by corporate recruiters to provide employers with the information they need when hiring college students for permanent, part-time, or summer jobs. They contact you directly!

What does it cost? Less than 1¢ per company - a total of \$30.00! You can't

How do I reach 3,000 companies? Pick up the resume form at:

Placement Office

Fill out the resume, attach your check or money order for \$30.00, and send to Kenco Recruiter's Guide, Inc., 2100 West 18th Street, Suite 101, Houston, Texas 77008. You can also contact us directly by calling collect to (713) 880-4566.
