Suzanne Sheffield wins fourth 1500-meter run at Texas Relays in Austin

by Tracey Taylor

Battalion Staff
Texas A&M's Suzanne Sheffield won the 1500-meter run at the Texas Relays this weekend to capture the only Aggie first place in a meet attended by both the men's and women's teams. Sheffield's winning time of 4:18.82 was 10 seconds under her previous best and six seconds under the NCAA qualifying mark. She also set an Aggie school record with her winning performance. The Texas Relays is an annual invitational that features college, junior college, high school and open club divisions.

Some 750 athletes representing 64 universities and colleges competed in the meet — hosted by the University of Texas and held in Memorial Stadium on the UT campus. Capturing her fourth 1500-meter title of the outdoor season Saturday, Sheffield wowed the Memorial Stadium crowd of more than 9,000 by sprinting past Texas long distance runner Tara Arnold in the final 25 meters of the race. But Sheffield wasn't the only Aggie who placed this weekend. Competing for the Aggie men in the 1500-meters, Andy Elliott ran four seconds under

his season best and captured third place with a 3:48.67. William Johnson of TCU won the race in 3:47.41. Texas A&M's Chuck Perry qualified for the NCAA championships and finished fourth overall by clearing 7-3 on his third attempt in the high jump. Brian Tietjens of Iowa State won the high jump in 7-6, the eighth best jump ever by an American. The 1600-meter relay, consisting of Cliff Chatham, Bill Shelton, Bart Daniel and Chappelle Henderson continued the record-setting trend by running a season best of 3:07.35 in their event.

Fort Worth's Billy Martin captures second annual Texas Triathlon event

by Tracey Taylor

Battalion Staff
Billy Martin of Fort Worth was the overall winner Saturday

at the second annual Texas Triathlon, which included a field of 900 entrants from all over Texas and 11 other states.

Martin, 26, completed the course, which included a 1-kilometer swim, a 10 kilometer run and 30 kilometer bike race, in 1:48:00. Despite the victory, the time was 10 minutes off the pace set last year by John Howard, the 1981 winner of the famed Hawaiian Iron Man Triathlon. Howard did not enter Texas Triathlon Two. The woman with the best time this year was Jann Girard, 23, of Austin, with a time of 1:53:00. — good enough to cut three minutes off last year's winning time. Jacquie Phelan of San Francisco, last year's winner, did not compete this year. Adventurer-athlete David Smith, who gained national and international attention in recent years with such feats as swim-

ming around the Rock of Gibraltar and running a marathon in the Sahara, competed in Texas Triathlon, but ultimately left for California to participate in a Saturday evening. He was scheduled to compete in another triathlon Saturday time for the triathlon was announced, but he indicated it was not a threat to win. The Texas Triathlon is sponsored by the Bryan Station Athletic Club, Texas A&M's intramural recreational sports department, the Bryan-College Chamber of Commerce, Schlitz brewery.

Bench's 3 RBI's aid Reds in win over Cubs

United Press International
Johnny Bench played so poorly last season it was felt by many he should step aside and let a younger man take his place at third base. Well, Bench seems determined to show everyone he can still contribute. Sunday he went 3-for-4 to raise his batting average to .476, and knocked in three runs to help the Cincinnati Reds defeat the Chicago Cubs, 7-2. On two occasions the Cubs walked the batter ahead of Bench intentionally to fill the bases. "They walked to get to him twice today and he came through twice," said Reds' Manager Russ Nixon. "That word might get around." Cub Manager Lee Elia said he was just trying to make the best out of a bad situation each time. "What are you going to do? Who is easier, Concepcion or
