Bicycle travel limited in areas

by Pamela Haisler
Battalion Reporter

The College Station City Council at its meeting Thursday approved bicycle prohibition signs that will be placed on Texas Avenue and Harvey Road.

John Black, traffic engineer, said bikers may not travel on Texas Avenue from University Drive to Holleman Drive and on Harvey Road from Texas Avenue to the East Bypass. They may cross these streets but not travel with through traffic, he said.

Black said the signs will be placed on the streets next week. Violators will be fined \$10 starting April 26, and after May 26 the minimum fine will be \$37.50.

Elrey Ash, director of capital management, said a brochure that will contain a map with bicycle routes and the bicycle signs will be distributed to students before the first summer session.

The Council also approved a 2 percent cost-of-living increase for city employees for 1983-84. Glenn Schroeder, deputy director of finance, said this increase will ensure city employees a continuing fair wage and keep the city's pay system competitive.

In other action:
— Speed limits will be lowered on FM 2818 to 50 mph and 35 mph in the A&M Consolidated school zone. On Jersey Street, between Wellborn Road and FM 2818, the speed limit will be lowered to 45 mph.

— The Council transferred \$160,000 to the Water and Sewer Oversize Participation Fund to pay for various water and sewer projects.

— Hereford, Lynch & Co., an accounting firm from Huntsville, was contracted to perform the city's audit for the fiscal year ending June 30, 1983.

— The Council approved rezoning of Lot 14 of the Gorzycki subdivision, which is about 600 feet north of University Drive and west of Meadowland, from duplex to commercial district.

— Lowell Denton, city attorney, told the Council he was working on an animal control ordinance that would require all animals in the city to be licensed. He said that animals found at large would be taken to the owner, and the owner would be given a citation. Those animals without licenses would be taken to the animal shelter.

After a lengthy discussion about traffic congestion on State Highway 30 (Harvey Road), the Council approved the rezoning of 6.33 acres of land across from the Windwood Subdivision. The Council stipulated that the land, now zoned as commercial industrial, is to be developed as a unit.

Officer probed in killing

HOUSTON — A policeman who killed a man after being threatened with a stick and a pocketknife will be relieved of active patrol duty pending an investigation of the incident, a spokesman said Thursday.

Officer J.D. Curtis and his partner, Officer M.G. Lieschkeski, responded to a call about

4:30 p.m. Wednesday reporting a man was threatening customers at a convenience store with a 4-foot-long stick.

Upon arrival at the scene, the officers reported the man waved the stick at them and ran. Curtis and his partner chased the man and finally caught up with him. They said the man threatened

them with the stick and a pocket knife.

Curtis' partner did not pull her gun and had no physical contact with the suspect. But Curtis shot the man in the side, the report said, after being hit on the hand with the stick. Police said the stick shattered the butt of Curtis' pistol and cut Curtis' hand and wrist.

Police learned later the man had a history of mental problems. Investigators at the scene considered the life-threatening for the Police policy limits firm vice-revolvers to life-threatening situations.
