## Men's tennis team loses to TCU, defeats Tech

by Tracey Taylor

**Battalion Staff**  
The Texas A&M men's and women's tennis teams had their ups and downs this weekend. First, the men's team lost to TCU, 9-0, in Fort Worth Friday and then went on to beat Texas Tech, 7-1, in Lubbock Saturday.

The Tech matchup was highlighted by singles matches between Texas A&M's Brian Joelson and Fred Viancos (6-4, 4-6, 7-5) and Texas A&M's Tom Judson and Vince Menard (6-4, 4-6, 7-5).  
The men's season record now stands at 22-9.

In the same fashion, the women's team defeated TCU, 5-4, here Friday but then lost to the University of Texas, 9-0, in Austin Saturday.  
Friday's play came to a dramatic close when the doubles team of Akagi-Nutt defeated TCU's team of Ries-Rapp, 5-7,

6-1, 6-2, in the last match of the day.  
"We played super," Coach Jan Cannon, coach of the women's team, said. "Our freshmen, Vanne Akagi and Cathy Nutt, really came through for us. When they took the court for

the doubles match, the score was tied at 4-4."  
The Texas Longhorns were a different story, however, and the Aggie women only managed to win three sets. Their record dropped to 15-10, while the Longhorns improved theirs to 21-9.

## Texas wins SWC golf title; Texas A&M finishes in third

**United Press International**  
**WEST COLUMBIA** — Brandel Chamblee and Paul Thomas shot a strong back nine in the last round of the Southwest Conference Golf Championships Sunday to lead Texas to its second conference title in three years. Defending conference champion Texas A&M finished in third place.

Chamblee started the day tied for the individual lead with Houston's Billy Tuten. Both Tuten and Chamblee suffered with erratic drivers, but Chamblee's birdie at the par-5 17th hole solidified his third win of the spring and the title, which he won by four shots over Tuten. Chamblee, a junior from Irving, shot a final round 76 to

finish at 219 on a day that saw a 74 as the best round of the day. For the tournament, only two sub-par rounds on the par-72 course were posted, by Chamblee (69) and Tuten (70).  
"When I started the day, I thought a 220 would win this tournament," said Chamblee. "I had trouble with my driver today, but I had been hitting it well this week so I was reluctant to put it in the bag. Houston didn't play well today."

place finish, their best since 1976.  
Texas finished with a team total of 899 and Houston had 908. Texas A&M finished third with a team score of 928. The Aggies were led by Gary Krueger with a 54-hole score of 229. Defending individual cham-

pion Danny Briggs of Texas A&M finished with a three-day total of 232. Texas A&M's Paul Oglesby shot a 232 also, as did Aggie Paul Mayo.  
Jacky Lee finished at 240 for the Aggies, and David Jones rounded out the Aggie squad's scoring with a 250.

## SHAPE UP UPDATE!

The SHAPE UP program (Sport, Health, and Physical Education for University People) is continuing along in a very smooth fashion. For those of you who may not be aware of the program, the objectives are to encourage individuals to incorporate fitness activities into their lifestyles. Participants are given the opportunity to work out individually, through open recreation at their own pace. A point system has been assigned to various aerobic activities. As one completes his/her exercise, tally cards are available to record your time and/or distance. The Intramural-Recreational Sports Office will then chart each participant's progress towards the yearly goal of 250 points. Once 250 points have been achieved (within one calendar year) a SHAPE UP certificate will be awarded to that participant. Performance in the following aerobic activities will accumulate points:

- |                      |                       |
|----------------------|-----------------------|
| Aerobic dance        | 1 hour = 1 point      |
| Basketball           | 1/2 hour = 1 point    |
| Calisthenics         | 1 1/2 hours = 1 point |
| Racquetball/Handball | 1/2 hour = 1 point    |
| Running/Jogging      | 2 miles = 1 point     |
| Swimming             | 1/2 mile = 1 point    |
| Walking              | 3 miles = 1 point     |
