

Texas A&M The Battalion Sports

Monday, May 2, 1983/The Battalion/Page 11

Texas A&M's Chappelle Henderson, shown here at last weekend's Baylor Invitational, finished first in the 110-

meter hurdles Saturday at the Sunshine Relays in Tallahassee, Fla.

Men's track team picks up seven firsts at FSU meet

from staff and wire reports

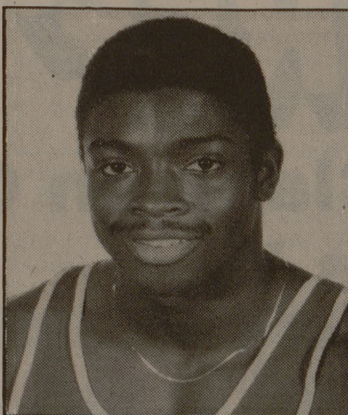

They had to travel quite some distance to do it, but both the men's and women's track teams were able to gain some ground this weekend in preparation for the upcoming NCAA Track and Field Championships.

The Texas A&M men's track team picked up seven first place finishes in the Sunshine Relays at Florida State University in Tallahassee, Florida.

And Suzanne Sheffield — running in the 800-meter run at the 74th annual Drake Relays in Des Moines, Iowa — finished with a season best, a NCAA qualifying standard and an Athletic Congress qualifying standard. She came in second with a time of 2:05.49.

Texas A&M's Novaita Samuels placed fourth in the 100-meter dash with an 11.76 in the invitation only meet.

Several national records were broken at the Drake Relays — including one by a Southwest Conference school. The SMU relay crew of Rob Topping, Russell Mitchell, Ben Bor and Paul Rugut completed the university distance medley relay in 9:30.45, breaking Kansas State's

Rod Richardson finished first in 100-meter dash

1972 national mark by almost one second.

Alabama's relay team, led by Calvin Smith, shattered a collegiate sprint medley relay mark and eclipsed two other meet records.

The Crimson Tide squad of LeMar Smith, Calvin Smith, Terry Menefee and William Wuyke sped to a sprint medley relay time of 3:12.19, beating Oklahoma's collegiate mark of 3:13.39 set in 1981.

Alabama also broke Drake records in winning the men's 4 x 400-and 4 x 100-meter relays.

No world records are kept for the sprint medley relay, but Alabama's time is believed to be the best ever.

A total of 10 Drake marks fell and one was tied Saturday at sunny Drake Stadium before a crowd of 18,000.

Thirteen men's teams participated in the Sunshine Relays, though no team scores were kept.

Coach Charlie Thomas said he was especially pleased with the performance of Cliff Chatham in the running events. Although he was running in only his second of the year, Chatham finished third in the 400-meter hurdles and ran with the fifth place mile relay team.

The results in the running events are as follows: — Rod Richardson won the 100-meter dash with a time of 10.36.

— Darrell Austin placed first in the 200-meters with a 21.23.

— Bill Shelton placed second in the 400-meters with a time of 47.48.

— Chappelle Henderson won

the 110-meter hurdles in 14.0.

— Craig Moody won the 400-meter hurdles in 51.44, followed by third-place finisher Cliff Chatham 52.57.

— Andy Elliott placed fourth in the 1500-meter run with a time of 3:49.50.

— Jimmy Sterling won the 10,000-meter run with a 30:42.2. Teammate Jim Bolleter placed fourth with a 31:05.2.

— The mile relay team of Chatham, Shelton, Austin and Bruce Lazarine placed fifth with a time of 3:09.99.

The results for the field events:

— Juan de la Garza won the javelin with a toss of 257-81/2. The toss was his personal best and established a school record. Teammate Richard Lamb placed fifth with a throw of 212-9.

— Robert Windsor won the shot put with a heave of 58-1.

— Jimmy Howard won the high jump with a leap of 7-1. Chuck Perry finished third with a jump of 6-11.

Both men's and women's teams will be in Houston Saturday for the Houston Invitational.

Softball team splits with Tech

The Texas A&M softball team split a double-header with Louisiana Tech Friday in Ruston, La.

Lady Techster Stacy Johnson no-hit the Aggies in the first game, winning 1-0. Texas A&M came back to take the second

game, 2-1.

Lori Stoll was the loser for the Aggies in the first game. Her record is now 25-6. Shan McDougal won the second, upping her record to 9-4.

Texas A&M — undefeated at home — hosts Sam Houston in a

double-header Wednesday at the Penberthy Intramural Complex, beginning at 4 p.m.

The Aggies, now 34-10 on the season, will host one of eight NCAA Regional Championships May 12, with their opponent likely being Utah State. Six-

teen teams will compete in eight best-of-three mini-series, with the winners advancing to the national tournament at Omaha, Neb.
